Layer on Some Yona New York

Author: [Jen Anderson](#) • Discussion: [No Comments](#)

So much plus size fashion advice tells you to look as small as possible. Which is silly. You're a big, fabulous, larger than life woman and you should dress like it. Yona New York's Wrappers are exactly what you need when you want your look to make an impact. They add volume to your silhouette, but they have structure so you never look shapeless or blah.

Draped Duster

Yona New York's Draped Duster should be living on the back of your office desk chair instead of that shapeless cardi you keep around in case the air conditioning is too high. It elevates an outfit from OK to outstanding so you'll want to wear it outside of work too. Made of a poly/spandex blend and trimmed with faux leather, the Draped Duster will hold its shape wear after wear.

Yona New York's Draped Duster is available in [Black](#), [Charcoal](#), and [Royal Blue](#).

Textured Wrap Shawl

You'll definitely make an entrance wearing the [Textured Wrap Shawl](#). Made from brushed cotton, it's as soft and light as you could want. Wear it open or tied at the waist. The Textured Wrap Shawl works well on so many body shapes. It adds volume around the shoulders for bottom-heavy pear shaped women. But it also compliments inverted triangle shaped women – finally, a top that isn't overwhelmed by your broad shoulders and bust.

It's a best seller for a reason. Draping yourself in style was never so easy.

The [Textured Wrap Shawl](#) comes in beige with black trim.

Pinstripe Vest Topper

A long vest can really pull an outfit together. The Pinstripe Vest Topper is polished enough for the office, but casual enough for the weekend. And it has POCKETS. High fashion with pockets? What's not to love about that?

The Pinstripe Vest Topper is available in [Charcoal](#) (Grey/Lavender Pinstripe) and [Navy](#) (Navy/Light Blue Pinstripe). Made from Merino wool, it's as soft as a dream.

It Takes Three

It only takes 2 separates to be dressed, but it takes three pieces to be wearing an outfit. [Yona New York's Wrappers](#) can elevate anything you're wearing. When you want to look amazing, but don't have a lot of time, just wrap yourself in one of these wrappers and you're good to go. And when you do have time to pile on the accessories, these won't clash with your favorite statement pieces.
