5 Great Plus Size Wedding Guest Dresses

Author: [Jen Anderson](#) • Discussion: [No Comments](#)

Wedding guest dresses can be tricky to pick out. There are so many levels of dressiness to choose from. Ideally, you'll find a dress that you can wear to other events because if you like it enough to wear it once, you like it enough to wear it again and again.

The ceremony and reception venues can give you a hint about what to wear. You'll want to dress more casually for a wedding in a barn than one in a catering hall. You can glam it up for an evening ceremony and reception, but you'll want to tone it down for a morning wedding and brunch reception.

Here are our plus size wedding guest dress picks for Spring.

J Kara Chiffon Overlay Beaded Cocktail Dress

[J Kara's Chiffon Overlay Beaded Cocktail Dress](#) would be great for an evening reception. The chiffon overlay and cape sleeves add a lot of movement when you're out on the dance floor, while the beads catch the light every time you move.

The boatneck neckline is modest enough for a religious ceremony while the skirt is sparkly enough for the glam reception. Afterwards, wear it on date night or a girl's night out.

Marina Love Dress

The [Marina Love Dress](#) could go to almost every wedding you're going to this season. Lay on the sparkly jewelry for an evening wedding, or wear it with minimal accessories for an outdoor wedding. The chiffon fabric wouldn't be great at a beach wedding, but it's just right for any garden party. The crossover bodice elevates this dress above the typical wardrobe staple.

April Dress

The [April Dress](#) is what you want to wear to a beach wedding or a casual backyard reception. The soft jersey fabric will be comfortable in the great outdoors no matter how warm it gets. The deep-v neckline and empire waist make this dress flattering and dressy enough for a wedding. Pile on the accessories for the event, then wear it alone for a casual look later on.

Sabrina Maxi Dress

The [Sabrina Maxi Dress](#) is casual elegance personified. For a formal wedding, pile on layer upon layer of sparkly jewelry for a glamorous look. For a casual wedding, wear it with a shawl and long boho chic earrings. Later on, wear it with a shrug to go shopping with friends or relaxing at home.

The [Sabrina Maxi Dress](#) is available in black, indigo, dark peach and dusty rose.

Cape Top Gown by ABS Allen Schwartz

For some weddings, only the most glamorous dress will do. For those weddings, there's the [Cape Top Gown by ABS Allen Schwartz](#). You'll look like you just stepped off the red carpet. The cape adds drama while the lace cutout defines your waist and highlights your curves.

Wear It Again and Again

It's frustrating to wear a great dress only once. Look for reasons to wear even your most formal wedding guest dress again. That way, you'll love the dress even more.
