## Elegant Plus Size Layers For Spring

Author: [Jen Anderson](#) • Discussion: [No Comments](#)

Spring weather can be maddening. You're walking around with bare legs one day, and bundling up in your winter coat the next. The key to Spring dressing is layers. But layers can be bulky and uncomfortable – not what you're looking for.

Once again, Cushie b to the rescue! Cushie b knit separates are lightweight but warm. The thin layers don't hide your shape, and they're just so stylish.

### Kimono Cardigan

You know that shapeless sweater you throw on over absolutely everything you wear? Ditch it. Cushie b's Kimono cardigan goes with everything elegantly.

Made in America with Italian viscose and extra fine merino wool from Italy, this cardigan is as soft as a cloud. The sheer panels drape over your outfit without concealing it.

Available in [silver grey/black](#), [deep red/wine](#), and [teal blue/navy](#).

### Black Pointelle Knit Camisole

A great camisole is hard to find. It needs to be thin enough to go under other layers, but it also has to be attractive (and opaque) enough to be worn by itself. And lace trim makes a cami look too much like lingerie and not enough like clothes.

Cushie b's [black pointelle knit camisole](#) is the classic layering piece you've been waiting for. Knit from nylon/rayon pointelle, it hugs your curves while covering them. At 26 inches long, this camisole will stay put.

Wear it under a deep v-neck when you want a little more coverage, or under a big, drapery sweater.

### Simple A-Line Cotton Lycra Tank

Cushie b's simple a-line cotton lycra tank is another amazing wardrobe staple. Wide straps cover your bra while the princess seaming and a-line silhouette flatter your curves. Elegant and opaque enough to wear alone on a hot day, this tank is thin enough to fit under other layers to protect you from the Spring chill.

Cushie b's simple a-line cotton lycra tank comes in [oatmeal melange](#), [Mediterranean blue](#), and [black](#). This is one of those pieces that you'll want to get in every color because it's just so versatile.

## Cozy Draped Blanket Cardigan

Rainy Spring days make you want to curl up on the couch and wrap yourself in a cozy blanket. You can get that same feeling from Cushie b's [Cozy Draped Blanket Cardigan](#) while looking stylish and put together.

The ribbed, fitted sleeves keep you from getting lost in this cozy cardigan. The front drapes and cascades, offering style and warmth. If you must keep a cardi draped over the back of your office chair just in case – make it this one.

Cushie b's Cozy Draped Blanket Cardigan is available in [black](#) and [periwinkle blue](#).

## Layers Don't Have to Look Sloppy

With lightweight, elegant separates from Cushie b, you can pile on layers in style. And you won't be afraid to remove your top layer, because your camisole or tank will look great alone. When you invest in layering pieces, you'll be elegant Spring after Spring.
