Senate Rationale: The MUSG Senate commends the twenty-five recently laid-off Marquette employees. The Senate understands why the University made the decision, but it is with a heavy heart and many thanks MUSG says goodbye. Many individual Senators worked quite closely with a number of these individuals and would like to commend them for working so hard to address student interests and concerns.

Whereas: It is the role of Marquette University Student Government (MUSG) to actively identify and address the concerns and interests of the students; and,

Whereas: It is the role of MUSG to support the interests of the University's students, faculty, and employees; and,

Whereas: Marquette University leadership eliminated 25 staff positions on Wednesday, February 19, 2014 in an effort to reduce the University's costs and maintain operational efficiencies; and,¹

Whereas: Based on the most recent updated organizational chart, it is evident that those laid-off included individuals that worked hand-in-hand with MUSG; and,²

Whereas: These Individuals worked in representing the student body, in addressing issues important to the student body, and striving to improve the Marquette University institution, experience, and community.

Therefore: Let it be resolved that MUSG appreciates the years of service the 25 former employees have dedicated to the University; and,

Furthermore: That MUSG sends the organization's thanks and gratitude to the 25 former employees for their years of service to the Marquette University institution and student body, as it is with fervent gratitude that we remember all these outstanding individuals and their contributions to the improvements of Marquette University.
