The CHQ Grapevine

Welcome to the Chautauqua-Grapevine, the announcements and requests service which is used by hundreds of Chautauquans during the season and afterwards. Please read below to construct a proper message which we will approve for posting to the group. We suggest using a strong SUBJECT Line for your email/post/message so readers may quickly evaluate your content.

Please NOTE: Google's Search Engine is active on this and all google websites. If you are concerned about this, avoid using your personal identification in your messages. Others who are members may reply to you (NOT "reply to all" which would post to Grapevine all over again) without need for you to publish your name or address.

Enjoy your Grapevine and use it wisely.
