

## CLARK COUNTY DEMOCRATS AD-HOC COMMITTEE ANNOUNCEMENT

The Executive Committee has approved Kyle Sinnott to serve Chair of the Five Year Financial Plan & Budget Process Improvement Committee. We will be asking the body to confirm this appointment at our August Meeting. The expected work product from this committee will be an advisory report to the Executive Committee and the body focused on:

1. A general 5 year finance plan focused on fundraising goals, identifying priorities for spending and suggestions for increasing revenue.
2. A CCD policy and procedures for the presentation and adoption of our annual budget.

We've asked Kyle to include on his team:

1. Current treasurer and past 2 treasurers
2. Select 2-3 members from each LD, a mix of long time members and newer members who are interested in learning more about how the financial component of our party works if they don't have any previous experience.
3. The County chair and vice chair will sit on this committee as non-voting members

If you have any questions about this committee, please contact Chair Rich Rogers or Vice Chair Jodi Frisina.

If you're interested in being considered for this team, please contact Kyle Sinnott.

Thanks!

Rich Rogers  
Chair, Clark County Democrats
