

**We are now proudly performing commercial glass and aluminium projects in addition to our flourishing residential business**

Aero Glass and Aluminium is excited to announce we are now servicing commercial customers! The experienced team - led by **Michael Lynch** (Project Management & Estimating), **Stephen Cook** (commercial project officer), **Anthony Bust** (Sales & Measuring) and **Justin Wakeling** (experienced commercial fabrication leading hand) - will provide commercial services including:

- Commercial Grade Windows and Doors (for residential high wind areas)
- Bi Fold Doors for the residential and commercial markets
- Large Commercial Windows for the residential market
- Complete Glazing Systems for Commercial Projects
- Hinged, Pivot and Sliding Doors including Automatic Sliding Doors

**We can help you with any  
glass and aluminium project**

2/44 Central Park Drive, Paget, Mackay

**About us**

Aero Glass and Aluminium was formed in 2013 by Michael Lynch, a glazier with over 20 years' experience managing small and large projects in the Mackay region. The team is led by Anthony Bust, the leading measure and installation expert in the business. Combined, their knowledge of both the industry and the Mackay region ensures Aero Glass and Aluminium provides the highest quality service in a cost effective manner.
