

# THE NIGHTMARE

(M. Dalager – C. Laney – C. Laxell – A. Leman – L. Ostlund)

*Featuring Douglas Blair Lucek on guitar*

**(from the concept album – Dreams in the Witch House)**

## GILMAN

In my dreams I see cubes and prisms

Idols shrieking cacophonous rhythms

Tentacles drag me deep into a labyrinth

Indescribably vile behaviors

Ravage me, oh Lord, where's my savior?

Am I trapped in purgatory?

My God!

Atop, cyclopean spires

Rising, take me ever higher

Above, beyond infinity

Come on!

There my mind truly soars

Cognizance, exposing every door

Geometrical, mathematical, I step deliberately

Fantastical, dimensional, through cryptic boundaries

Improbable, impossible, abyss I must transcend

Such frequency, a mystery too deep to comprehend

## **BROWN JENKIN**

Crawlin' across the floor

Hellish beast men abhor

Lurkin' insidiously

Mongrel monstrosity!

## **MAZUREWICZ**

O bone et dulcissime Iesu

Ante conspectum tuum genibus

*Me provolvo!*

## **BROWN JENKIN**

So here I come, you've seen me before

Prepare yourself for what's in store!

## **BROWN JENKIN + RATS IN WALLS**

So blasphemous, calamitous, you've everything to fear

I'm merciless, nefarious, the screeching that you hear

So deafening, this reckoning

## **GILMAN**

It's driving me insane!

## **RATS IN WALLS CHOIR**

Unsettling and menacing

**BROWN JENKIN**

These dreams destroy your brain!

**MAZUREWICZ**

O bone et dulcissime Iesu

Ante conspectum tuum genibus

**GILMAN**

*Ahhhhhhhhh!*
