Hickory Museum of Art EXHIBITION SUBMISSION GUIDELINES

The Hickory Museum of Art welcomes submissions from **established artists with credentials**. To be considered, submissions **MUST** include the following information:

- **Résumé** detailing education, grants, fellowships, awards, teaching positions, gallery affiliations, major exhibitions and collections.
- **10-20 images** of current and available work **produced within the past two years**. The Committee prefers to receive images on a CD, however slides and prints will also be considered.
- **Please do not bring original work to the Museum to accompany your portfolio. If after the Exhibition Committee's initial review they would like to see original pieces, we will contact you.**
- **ID sheet** listing medium, size and date of each piece.

The Hickory Museum of Art makes every effort to safeguard submitted materials but we cannot be responsible for loss or damage.

The Exhibitions Committee reviews local artist submissions twice a year. Most exhibitions are planned approximately two years in advance to give artists ample time to prepare. Please note the Museum has limited gallery space designated for open-call artist submissions.
