Hickory Museum of Art welcomes homeschool parents and students to experience an art-filled, educational year of activities where the birth of a creative thought becomes a tangible object. Students will be led through the galleries while examining works of art on their level. From gallery inspiration, students will then create artwork of their own. Different media will be used each month for experimentation. Competency goals in art, language arts, and social studies will be met throughout the year following the NC Common Core and Essential Standards.

the implementation of creative ideas cultivates a spirit of curiosity and engagement

### CLASS DATES AND TIMES

Classes run monthly, beginning in September and ending in May. Classes are held on the second Thursday of each month from 1:00-2:15 PM. If a class fills, a second class will be added from 10:30-11:45 AM. Each month will focus on a different art process/technique, utilizing the museum's various exhibitions while teaching a broad-based knowledge of art fundamentals.

### AGES

Classes are designed for students ages K-8th grade. Students will be divided into three age groups depending on grades enrolled. Adult accompaniment is strongly advised for children ages K-1st. Kindergarten students must be five by October 1, 2018 to participate.
