

Tiger for a Day

Sport and Medical Sciences Academy offers current 5th-10th grade students the opportunity to spend a day at SMSA as a guest of an SMSA student. The *Tiger for a Day* program includes attendance at the host's classes, lunch and participation at any school-wide events for the day. The goal of our *Tiger for a Day* program is to offer students an opportunity to experience a day at SMSA through the eyes of a member of the SMSA community. Registration is required.

If you are interested in attending our Tiger for a Day Program, please attend one of our Open Houses:

Wednesday, November 16, 2016 at 6:00pm
