

Dudley Media Co.

Innovative, Effective, Accessible Media Consulting Services

Looking to build a website but don't have the time, knowledge, or money? Want to learn how to use Facebook and Twitter to jumpstart your business? Need to boost your online sales? Tired of paying thousands of dollars for mediocre digital products and services? Need assistance with *any* kind of web-based or technological project?

Dudley Media Co. offers personal, affordable, and effective consulting services to those in need of technological assistance.

At \$20/hour, you simply will not find a more affordable consulting group that can provide our vast array of technological services.

Services:

- Web Design & Development
- Social Media Operations & Management
- Facebook, Twitter, & Google Advertising
- Technological Education & Proficiency Services
 - Graphic Design Services
 - Digital Marketing & Branding
 - Video & Photo Services
 - Incorporation
 - Data Mining
 - ...and much, *much* more!

About Us:

Dudley Media Company was founded by Abe Post-Hyatt who remains the sole employee. Abe is a 21-year-old college Senior with a vast knowledge of the tech world, a professional and infectious personality, and an eagerness to help others navigate the ever-growing world of the Internet. He's helped many individuals with a wide range of web-based projects such as: complete website builds, data mining, logo design, Facebook advertisement campaigns, online stores, blogs, viral campaigns, and much, much more.
