Make phone calls from home for the Census:
The Census determines how many seats we get in Congress and how billions of federal dollars are spent on programs like Medicare, school lunches, housing assistance, veterans’ programs and roads. This is a once-in-a-decade opportunity to secure our future.

Swing Left Get-Out-the-Vote Letters
These can be done from home. Swing Left helps Democrats win the most important elections nationally. It’s easy! You personalize a preprinted letter, which is hand-addressed to targeted Democrat voters. Until October 2020, volunteers will be writing and holding these letters to send in late October right when voters are ready to go to the polls. We have MILLIONS of letters to send. Letters are 3 to 4 times more effective at turning out voters than handwritten postcards.
