

We are looking for a talented Web Designer to create an amazing user experience. The ideal candidate should have an eye for clean and artful web design. They should also have superior user interface design skills.

Requirements

- Proven work experience as a web designer.
- Demonstrable graphic design skill with a strong portfolio.
- Solid experience in creating wireframes, storyboards, user flows, process flows, and site maps.
- Proficiency in Photoshop, Illustrator, or other visual design and wire-framing tools.
- Proficiency in HTML, CCS, and JavaScript for rapid prototyping.
- Excellent visual design skills with sensitivity to user-system interaction.
- Ability to solve problems creatively and effectively.
- Up-to-date with the latest Web trends, techniques and technologies.
- BS/MS in Human-Computer Interaction, Interaction Design, or a Visual Arts subject.

Other Requirements

- Must be committed to making Emmanuel Christian Center your church home, the place you worship and serve.

Responsibilities

- Updating website requests.
- Always be thinking on how to make the website better.
- Must demonstrate the ability to perform high quality work and uphold Emmanuel's vision, mission and core values.
- Work directly with the Communications Coordinator for projects and ongoing work.
- Anticipating web needs for Sunday services, church events, and ongoing ministry needs.
- Creating solutions to problems.
