Remote Consultation Disclaimer

I have solicited an educational consultation with Dr. Mark Davis and/or Dr. Emily Burke.

The information discussed in the setting of a remote educational consultation is not medical advice, and should not be treated as such. The information provided is for informational and educational purposes only. The information discussed is in no way intended to replace the information provided by my doctor(s). I understand that no portion of any consultation is to be interpreted as diagnosis or treatment of anyone for anything.

This consultation is **not** intended to:

- diagnose or treat any disease or condition
- manage your health care
- provide medical services
- initiate a doctor-patient relationship

Your primary care physician and/or other doctors should always be regarded as a primary source of information about diagnosis, treatment, prescription drugs, and medical conditions.

Email policy:

- This consult is accompanied by responses to email questions for a period of one week following the consultation.
- After that, there will be a charge of \$50 for each email response regarded as additional educational consultations.
- Logistical emails (regarding payment, etc.) can be directed to info@brightmedicineclinic.com

In signing and returning this form, I am acknowledging that I have read and understand this disclaimer and agree to the terms it states.
