CHARACTERS-

Diesel-19, sophomore in college, pretty manly, can be a little intense which usually does it fo the chicks.

Fay-18, sophomore in college, kinda awk, aspiring singer/songwriter, tries PRETTY hard.

S'more-ageless, a cookie, marshmallows and chocolate all in one! Kinda mean yet maybe kinda hot.

SETTING

A campsite in the wild woods of Pennsylvania

TIME

Lateeee ;))

Note:

()=When a line is in parentheses it means it is quieter, hushed, smaller than a normal line

Emoticons= inject the line with the spirit of the emoticon or just inject it at the end of the line

*Spelling errors are done intentionally in order to show the thought of the characters and the specific way they speak.

(FAY and DIESEL are in the woods and have supa fat backpacks. They kinda think they found their campsite...)

FAY

Golly, I haven't been camping in like sooo long, like legit
Sooo long.

DIESEL

Hah um...when?

FAY

Well like my parents forced me and my brother
To like
Go on this family bonding retreat
In the woods in like
Alaska
When we were like pre-teen/tween-ish age?
Cause like I kinda tried to lock him in a closet..
Like 7 times and shit, so they wanted us like
Work it out...like in the woods.

DIESEL

Hah woah! Don't know what side of you Fay..

FAY

I was um kinda angry, when I was younger,
But like clearlllly I'm not like that now..hah uhhs

DIESEL

Ha intriguing..
So this spot looks good right? Like camp worthy ☺!!!

FAY

OH Ya!

DIESEL

K. I'll like unpack
And stuff, god I'm really looking forward
To this Friendship Camping Expedition
We decided to embark on as friends
Thanks again for asking meee, so kind!
No one's ever asked me to go on a friendship retreat with them,
Guess you really care and wanna work on our friendship..
That's why you asked me here right?

FAY

Uh huh ya

(DIESEL starts unpacking and he looks kinda hunky but FAY
tries to not notice that, but TIS hard!)

An um Ya, like college gets like soo boring you know,
(Like just like class-class-blah-blah-makeout with someone in a locker
blah)

DIESEL

Ha you made out with someone in a locker...
Doesn't really sound like you ;)

FAY

Well no, um that was an expression
A really popular one...in Ireland.

DIESEL

Oh. Specific.
You ever been to Ireland?

FAY

So um what kinda things should we do on our
Special friendship camping expedition?

DIESEL

Hmm was thinkin' maybe we could go swimming
In the swamp over there for about 5 hours
Just like cleanse and shit, I dunno
Would be so cool to hold like a fricking fat ugly SEA TURTLE
Like in ma hands! Maybe we could even take a group pic!
I could snapchat the shit out of that!

FAY

Hmm interesting idea, Diesel..it's kinda late though...

DIESEL

Well it's not my fault you got us lost like 20 times
In the forest! you told me
You took "Compasses: a class for Women on how to Use properly and not
drop it into a random lake" at college,
But it seems like Fay, you might have been lying!

FAY

Ugh I took the class,
But like the teacher had a lisp, sooo
it was really hardly to understandddddd
her, (sigh)
I have an idea what we can do...

DIESEL

Oo is it running into the forest and trying to
Trap an actual bear with our hands?????:(

FAY

Waaaa!! Nooo!
I um actually brought some

Chocolate, graham crackerssssss and marshmallows!
 Aka s'mores ;)
 I read in "Generic Hot Girl Monthly" that s'mores are the
 "go-to" snack
 For like random camping trips with men.
 Also they're like so sweet and stuff
 But at the same time they are so complex
 Because you need so many disparate ingredients to come together
 To like create something beautiful that is also
 Fun for all, especially young college students
 On a friendship retreat!

DIESEL

Oh well cool.
 I'm not the biggest like, uhh, sweets person but
 Sure, I'll um have one.
 Ha come, on, sit down, you look like
 You're about to like vom, you ok?

FAY

Uh ya, ya, ya, ya
 Totally, friendship is cool!
 Remember that time last year in Quaker Physics
 When I burned some of my orange polka dotted dress off and you like
 Asked me if I was ok,
 That was relly nice. Most people just seemed like
 Concerned for their own lives and ran out of the classroom
 And seemed very upset
 But you asked me if I was ok..
 That was caring and stuff...like most people don't care and stuff
 I should sit, that sounds smart!

(FAY and DIESEL sit and start making s'mores.)

DIESEL

Ha yeah, I was tired

FAY

Ha I didn't like um like know you got tired..

DIESEL

Well I am like...a person

FAY

Good point!

DIESEL

But you're right, I don't get tired that much,
 You know cause I'm like always doing sports and stuff
 And like water polo and water soccer

FAY

I should um come to one of your meets!
 Never um been, but seems like everyone who goes
 Loves them so much and has so much school spirit and passionnn,
 Those snapchats you sent me of those blond freshmen who flashed you
 During a game,
 That's so cool, they really love you!

DIESEL

Hah yeah, that kinda thing happens a lot
 And I'm just glad snapchat can help me savor the moment
 And share with my friends!

FAY

Oh ya
 Wow, you're like uhh
 So good at making s'mores
 You're like a fricking expert, like you could be like on
 top chef's'mores edition
 and I would like watch every episode
 like religiously.

DIESEL

Thanks.. You just stick it in da fire.
 I can like help you if you want

FAY

Ya, I'd like thattt

DIESEL

You're bad at it.

FAY

☹

DIESEL

So like...um you ever been on a friendship retreat with someone before
 Like ha never really been invited on one
 Is it like a Pennsylvania thing?
 Cause..like you're from there.

FAY

Well like
 No, I guess I haven't.

DIESEL

Ohh hmm.
 Well what made you pick me?
 Like we've been like casual friends for a while
 But never thought we needed to like
 Work out issues together or somthin..
 You have a problem with me or somthin?

FAY

NO! God no!
 Ugh, I like kinda lied about why I brought you here
 This isn't supposed to be a "friendship expedition
 Of joint minds and hearts exploring the wilderness together as
 friends",
 Which I wrote in the handwritten invitation I gave you,
 I think you're like cool
 Like as a man

DIESEL

Wait, are you like hitting on me?

FAY

No...
 Yes...No..Why? No...god!
 Your hair is cool...I'm a lesbian
 That was a lie, I might possess the feelings for you.

(They work on their s'mores and there's an odd anti-sexy
 silence. FAY might intensely stare at DIESEL then look
 away and hum a jaunty sea shanty like tune.)

DIESEL

Thanks for telling me...I guess.

FAY

Your welcome.

DIESEL

I just got out of
 Like a
 Like a 4 month relationship.

FAY

Oh, I didn't know that.

DIESEL

And I was like obsessed with her
 Like she had black hair like the fricking NIGHT
 And she just didn't give a shit about anything
 And she like was an amateur mud wrestler but like only when
 she was drunk
 (which is so cool)
 and like she dumped me you know,
 like super recently...so...

FAY

That sounds difficult.
 I've never been dumped by an amateur mud wrestler.

DIESEL

Ya, it's a really hard experience
To handle.

FAY

I could see that.
It's dark out.

DIESEL

Yeah.

FAY

You can kinda see the stars out,
You see that one, it's like kinda ugly and kinda beautiful,
Didn't know stars could be that fat? But
Maybe it's not as ugly as it seems or awful or
And it's right next to that goodlooking star
And NO you are not hot enough to be next to that other star
And you suck random FAT star, just fricking burn up

DIESEL

You ok?...

FAY

Fuck, I shouldn't have invited you here
What is wrong with me?
No one likes camping except like fricking Bambi
And like fictional happy families in toilet paper commercials
And I'm so stupid..

DIESEL

You are not that stupid

FAY

Thanks

DIESEL

Here, come here

(DIESEL kisses FAY. It's a magical sexy camping
moment!)

FAY

Wowweeee

DIESEL

Listen, it wasn't like that
That stupid you invited a casual male friend
Into the woods, it's kinda gutsy.
Gutsy chicks are rare,
Like so rare, like almost extinct.

FAY

Thanks Diesel,
 You're making me feel less like
 I'm gunna vom over our tent
 and that means a lot to me.

DIESEL

Any time.
 Hey Fay?

FAY

Yaaaa

DIESEL

You like me that much? :/

FAY

Ya,
 Fuck,
 I um wrote a song about it,
 Cause you know that's like my major
 Like music and stuff, which...you know
 Wanna listen?
 Or um in my "feminist for dumb chicks class" they told us
 to like
 Never ask men questions ever,
 and like never wait
 for their approval
 So I'm sorry I like asked,
 and I guess I'll just play you something
Diesellll, your eyes look like a coconut
Broken open, filled with male beauty
Sorry if that sounds sexual,
I'm sorry I brought you to a fictional friendship retreat
To tell you I think you are as important to me as
Gummy bears smeared in chocolate and unicorns dancing
I think friendship sucks and is an awful concept
Would you ruin it as a concept for me
Just end it, with yo big man hands
 That's like um the end,
 Fuck did you hate it? Your eyes are kinda bulging...
 Or is that like a medical thing?

DIESEL

Fuck, I feel like you really like me

FAY

Ya...
 Is that bad?
 If you think it's bad, I um don't like you that much
 Just an average amount that a sophomore at a Quaker College
 Would feel for an age appropriate male at said college

DIESEL

My last girlfriend..her name was Miranda Rosemary Stephenson,
 Like I was legit obsessed with her,
 Like I would sing outside of her dorm and shit
 And like blow pink glitter bubbles at her when she spent the night
 And I know that sounds stupid
 But like she was worth it, and like I like her alotttt
 Like still

FAY

Oh. Kkkkkkkkkkkkkkk.
 Fuck, should we like go back or something?
 I don't think I want s'mores anymore.

DIESEL

Listen gurl, I'm just trying to be real wit ya,
 Like we can like hangout if you want,
 You know like sexy teen sleepovers and shit,
 Like I could makeout with you in a locker,
 Like as long as you never told anyone ever
 And school was closed and it was during the summer
 And the custodians had all quit

FAY

That sounds kinda fun!

DIESEL

I would think so ;)
 Since the Diesel is involved

FAY

So like you're saying you want me to be your girlfriend right?!

DIESEL

Ya, the exact opposite of that.

FAY

Hmm interestinggg.
 I'm like classy though you know,
 Like I wanna be a singer songwriter who is also family friendly
 Who can sing at friendly restaurants that have those
 Colorable menus
 So...

DIESEL

The fact that you're being so insecure about this,
 Kinda a turn off
 Like you're being pretttti annoying :/

FAY

Oh. Sorry.
 Ma bad.

DIESEL

Hwy don't you just come in my tent and we can talk about it therrrr?

FAY

Wow, 1 tent, 2 students at a Quaker college,
That's like kinda intense.

DIESEL

Hah sureee...(uhh)
Listen, Fay,
Why don't I just like get in the tent
And like take my clothes off
And then we can keep talking,
You know this whole thing is really cool,
Like before I thought camping sounded like super boyscouts
and shit
But I think you've changed my mind,
I think it can be good fun for teens of all ages

FAY

Yeah, yeah, totally

(DIESEL goes back into his tent and gives FAY a sexy manly
wink. FAY is tortured and confused about what to do, so
she sits and stares at the smores begging for their
guidance. Suddenly a S'MORE comes to life!)

S'MORE

Hey gurl hey!

FAY

Ahhh waaaa!
Are you a a a a
S'more?
AM I dead and this is some weird girly fantasy senquence
That dead people experience?

S'MORE

You're not dead girl,
You just need some help and guidance
and because of how important I am on camping trips
and potentially a camp friendly aphrodisiac,
I have been granted powers to advise chicks
Whether they should makeout with dudes while camping.

FAY

Wow, that's a really specific
Thing you advise on...

S'MORE

Watch it gurl!

FAY

Sorry...

S'MORE

So, well me little miss
 What exactly is the predicament?
 It seemed like a young man with an extra manly name,
 Car engine inspired,
 Offered for you to get in his tent and jump you,
 Is that correct?

FAY

Woah, ya, that's exactly right
 Ugh I just...we just have such nice conversations
 Like like
 We can talk about like anything, from like stars in the sky
 to like snapchats gone awry
 and like that's more than I talk to most guys with
 but I feel like know he's gunna
 just like me for ma bod
 and not my amazing singer/songwriting gifts
 or the way I smile a lot when I drink water in the morning.

S'MORE

Those are unique qualities.

FAY

I thought so as welllll!!!

S'MORE

This is a hard one.

FAY

Right!! Life is so hard sometimes,
 Ugh maybe I should just dive into the forest
 And like get stolen away by bears
 And then become like a sexy
 Naturey Disney princess and marry like the woods

S'MORE

Damn gurl
 No no no no
 Just take a deep breath
 An look at yo face in the nearby stream
 You're moderately attractive gurl right?

FAY

Ya!

S'MORE

If you were supa attractive

He'd probably want to date you and take
 You to his water polo games
 And take picture of you at batmitzvah photo booths...
 But not everyone can be that attractive

FAY

You don't think I'm that pretty?

S'MORE

In between.

FAY

Oh

S'MORE

So you want my advice?

FAY

I dunno to tell you the truth
 All I can think about is how much nicer those trees
 Probs are
 Than you

S'MORE

Those trees SUCK!

FAY

Woah ok

S'MORE

Listen FAY, there's not many times
 In your life when a random hot dude with a sports car inspired name
 Will want you to throw yo body onto his in da woods
 I think you should take this opportunity
 And just do it,
 Cause like is about like fucking seizing things
 Things you know are too good for you
 But randomly they fell in your lap
 I'll never get to makeout with a dude like that
 Since my body is made of sugar
 And that's like fricking hard on me, ok FAY
 So don't think we all have it that easy, cause we don't
 I'll probably get eaten soon and then will have to wait for someone
 To like build me again

FAY

You really think I should like be with him
 Like in a camping slutty way, not a beautiful way
 When we're like in love and kissing on a mountain
 While birds sit on our shoulders and coo about the glee of love

S'MORE

Ya, the first way, the fucking first way!
Get in that fricking badly made tent
And make that guy think you're worth hanging
With for at least a week!

FAY

You know I did invite him into the wilderness,
I made all this effort,
Ya ya you're right!
Thank you!

S'MORE

No!
Thank you for jumping a random hot dude
At a camp site! Go you!

(FAY RUNS into the tent. S'MORES is satisfied.)

S'MORE

Oh Fay,
What a night you have in front of you!
Such a slutty slutty camping infused night of sexy half dreams half
waking encounters will befall you!
Oh have fun sweet young girl, have fun!

END OF PLAY ☺
