Welcome to Lamar Middle School & Fine Arts Academy. We hope your year as a Lamar Middle School & Fine Arts Academy Scottie will be both challenging and rewarding. Our school will only be as good as you make it, and we trust that you will always have the spirit to make it outstanding. Our success as a group and your personal success depend on your efforts. Lamar students follow the Guidelines for Success everyday, in every class, with every person:

Lead by Example
Act Responsibly
Make Good Choices
Achieve Excellence
Respect All

The purpose of this handbook is to acquaint students and parents with Lamar Middle School & Fine Arts Academy’s programs, regulations, policies and procedures. Students will find within these pages answers to many of their questions. Students, as well as parents, should familiarize themselves with the contents of this handbook.

Attending Lamar should be a highly enjoyable experience. It will also be a period of time that demands a high degree of cooperation between home, school, teachers, and students. The information presented in this handbook is designed to help you achieve success at Lamar.

SCHOOL DAY

School begins at 8:25 a.m. and dismisses at 3:40 p.m. The first bell sounds at 8:25 a.m. for 1st and 5th periods. We provide supervision for students from 7:30 a.m. to 4:15 p.m. Students arriving before 7:30 a.m. must wait in front of the school or in the courtyard. From 7:30 a.m. – 7:50 a.m.; all students must be in the cafeteria or courtyard. The campus is open from 7:50 a.m. - 8:25 a.m. for tutoring (core classes and foreign language), locker use, open gym, library, etc. Students in need of tutoring may report to their respective teacher’s room between 7:50 a.m. – 8:25 a.m. At the sound of the first bell, all students must make their way to their first class. The tardy bell sounds at 8:30 am.

Once a student arrives on campus, he/she must remain until the dismissal bell, unless a parent or guardian officially checks him/her out. After school, students must leave campus by 3:55 p.m., unless they are under a teacher’s direct supervision or are waiting in front of the school for a ride. All students must be picked up no later than 4:15 p.m.

LOCKERS

All students will be issued a locker on their first day of school by their 1st period teacher. Students must place a lock on their locker by September 13, 2019. Improper use of lockers will result in the loss of locker privileges. Students receiving free or reduced meals rent a lock from the school. Locks will be available during lunches the first week of school. The replacement cost for lost or damaged locks is $5. Placing a lock on your locker is your agreement that you will follow locker policy and procedure.

Students may access their lockers between 7:50 a.m. and 8:30 a.m., during the passing periods, and after school from 3:40 p.m. to 3:55 p.m. Students are not permitted to access their lockers during lunch.

Gym lockers with combination locks will be assigned for P.E. classes. Students should report problems with these lockers to their P.E. teacher. Band lockers and combination locks will be provided by the band program.

VISITORS

Parents and the business community are encouraged to visit the school. For the safety and security of our students and staff, we require all visitors to sign in at the front office and to obtain a visitor’s badge. Student visitors from other schools are not permitted during school hours.

Parents or legal guardians may request to shadow their child in class with a 24-hour notification (at least 1 school day) through their child’s counselor or grade level administrator. Parent shadowing is determined at the discretion of the school and may be overridden at any time by the campus principal.

ATTENDANCE

When a student is absent for any reason, a parent should notify the school between 7:30 a.m. and 10:00 a.m. by telephone the morning of the absence. In addition, when returning to school after an absence, the reason for an absence must be presented in writing to the
attendance office within 2 days following the absence. The parent note must be signed and include a current date, student number, grade level, date of absence(s), specific reason for absence(s), and a telephone number where a parent/guardian may be contacted. Students may not write their own notes, regardless of age, without legal documentation. 

SEE AISD 90% RULE FOR CREDIT RECOVERY.
https://www.austinisd.org/everydaycounts/compulsory-attendance

A phone call does not replace the need for written documentation. The student will then be given a Permit to Enter Slip to be signed by all teachers and returned to the office at the end of the school day. A student may be absent from school with documented absences. The principal may also excuse absences for extenuating circumstances. All other absences will not be excused. It is the student’s responsibility to ask teachers about missed work. However, if a student will be out for more than three days, a parent may call the counselor’s secretary before 10:00 a.m. on the second day and request assignments from the teachers. Please allow at least one day for teachers to gather the assignments and get them to the registrar. Requested assignments can be picked up after 3:00 p.m.

Attendance is compulsory according to Texas state law. State law mandates that a student must be in attendance 90% of the days a class is offered.
SEE AISD COMPULSORY ATTENDANCE POLICY.
https://www.austinisd.org/everydaycounts/compulsory-attendance

**LEAVING CAMPUS**

Students who plan to leave school during the day must bring a signed written excuse from home with date and time they will be leaving and give it to the office before first period. At that time, students will be given a Permit to Leave Slip allowing him/her to leave class at the designated time to meet his/her parent or guardian in the front office. All students leaving campus during the school day must be signed out in the front office by a parent or guardian. Students will only be released to individuals who are authorized on the students’ registration card (SR290). Students dropped off on campus by school bus, parent or walk-on must remain on campus until dismissal or with authorization from the school. Students that leave campus without authorization from the school may result in disciplinary action.

**UNEXCUSED TARDINESS**

Tardiness is unexcused without proper documentation or notification from Lamar staff. For every 5 times a student is tardy to the same class, he/she may receive a half-day of ISS.

Students arriving between 8:30 a.m. - 8:40 a.m. must report directly to class and will be counted tardy by their teacher. Students who enter school after 8:40 a.m. will sign in at the front office, be issued a Permit to Enter Slip, report directly to class, and will be counted tardy by the attendance clerk. Students with an excused tardy must obtain a permit to enter class from the front office.

**CHANGE OF ADDRESS**

Students and parents are required to submit any change of address or phone numbers before or at the time of the change. All parents must give a daytime contact number. It is important that the school be able to contact parents during the school day in case of emergency.

**NURSE/ MEDICATIONS (512-414-4505)**

The nurse is available on a part time basis for students with medical emergencies and problems arising during the day. Students who become ill during the school day and need to see the nurse must receive a pass from their teachers. If the nurse is not in, students should report to the main office for assistance. Nurse’s hours are posted on the nurse’s door. The school nurse or school personnel will supply neither aspirin nor any other type of medication.

If it becomes necessary for a student to take any form of medication (over-the-counter or prescription), parents must sign a permission slip for the school to administer the medication. Medications must be in the original bottle with the proper dosage on the label. Nurses cannot administer herbal remedies (non-FDA approved medications) to students. Short-term medication must have a written note of explanation from the parent. Students are never to have prescription or over-the-counter medications in their possession, including storage in backpacks, purses, or lockers.
IMMUNIZATION AND SHOT RECORDS

All school children in Texas are required by law to have the immunizations as set forth in the Texas Education Code. A summary of the immunization requirements can be found at the Texas Education Code web page (http://www.capitol.state.tx.us/statutes/ed.toc.htm). Students will not be permitted to attend school without the current immunizations and documentation of shot records on file. A notification letter is sent home to the parent when the school's records indicate the need for immunization. The notification letter will state the compliance deadline date and information on local free immunization. The notification letter will state the compliance deadline date and information on local free immunization clinics throughout the city.

LAMAR CommUNITY

Lamar Middle School is in its eighth year of implementing Social and Emotional Learning (SEL). The lesson topics are based on the five competencies of self-awareness, self-management, relationship skills, social awareness and responsible decision-making skills. The lessons are 15-minute capsules from Second Step, the SEL resource provided by the district. Students will learn about empathy and communication; collaborating in groups; bystander power; emotional management; and social media safety. Teachers will integrate the SEL skill and concepts through extension activities as part of their daily lesson. This continued practice enhances the climate of the entire school and continues the positive and safe culture that allows all other learning to occur. Our SEL commUNITY committee also sponsors our No Place for Hate activities throughout the year. To learn more about Social and Emotional Learning in AISD, please visit http://www.austinisd.org/academics/sel.

GRADING SYSTEM

Grades are assigned based on the work done during the grading cycle. Report cards are mailed to parents at the end of each grading cycle.

Progress reports are mailed to parents at the beginning of the fourth week of each grading cycle. Parents will receive district-issued access to Parent Cloud at the start of the year. Parent Cloud allows parents online access to a student's grades and attendance. Students also have their own Student Cloud, allowing them to view their grades, as well as other important information (see Student Cloud section below).

GRADING, HOMEWORK AND MAKE-UP WORK POLICIES

All grades that count towards a student’s cycle average must be recorded in TEAMS. At least one grade must be posted in TEAMS each week of the grading cycle.

All Classes

There must be at least 7 grades, but no more than 18 grades, per cycle for all classes. **No single assignment may count more than 15% of the cycle average.**

- **Core Classes and Language Other Than English**
  - 15% Unit Summative Assessment/Major Project #1
  - 20% Quizzes, minor projects (minimum 2 entries)
  - 20% Homework, Notebooks/Agenda Checks (minimum 2 entries)
  - 45% Daily work, labs (minimum 3 entries)

- **Elective Classes**

  Elective courses may use the core class set up as stated above or may count every task as a daily grade with a minimum of 7 grades per cycle. All elective course grading systems must adhere to the rule that no single task may count more than 15% of the overall cycle average.

- **Zeros Are Not Permitted**

  If the student makes a valid attempt at completing the assignment, they cannot receive a grade lower than a 50. Otherwise, a grade less than 50 may be given.

- **Corrected Work**

  Any grade below 70 entered into the student’s cycle average can be corrected for a grade of 70. The corrections must be completed within the late-work timeframe.

- **Make-up Work**

  A student must turn in all make-up work within one week of the day of their return. The student is
responsible for acquiring make-up work from his/her teacher the day they return to school. Any make-up work submitted after the make-up period may be considered late work.

**Late Work**
The late-work policy applies to all work recorded in TEAMS, including make-up work. Late work can have 10 points deducted for each day late for up to 3 days, and 50 points deducted anytime of the grading period after the third late day. A zero will be given for work not turned in by the end of the grading period.

All late work is due by the date below and the last day for teachers to enter new daily, homework, and quiz grades for the respective grading cycle below (Note major test/projects may be entered after the date below for the respective cycle. An “I” will be given to students needing to make-up the major test/project entered after this date):

- Cycle 1 – Sep 20, 2019
- Cycle 2 – Nov 1, 2019
- Cycle 3 – Dec 19, 2019
- Cycle 4 – Feb 28, 2020
- Cycle 5 – Apr 17, 2020
- Cycle 6 – May 28, 2020

**Homework**
All core subjects and Languages Other Than English may assign 15 - 45 minutes (or the equivalent) of homework when the class meets. In the event that there is a back-to-back B-day, homework may only be assigned on the first of the two B-days.

**Major Projects and Tests**
Major projects must be assigned at the beginning of the grading period with a mid-point progress check. Students must be provided project expectations and grading rubric at the time the project is assigned. Major projects must be coordinated with the academic team and department.

All Unit Summative Assessments (two-week tests, six-week tests, mid-terms and finals) must have a study guide given to students at least two A- or B-days before the exam (i.e. If the class falls on an A-day then the guide must be given at least two A-days before the exam).

Lamar Wellness Counseling Services

I. Refer
Grade level counselor is alerted to a student concern via the following sources:
  ● Parent
  ● Teacher/Staff
  ● Administration
  ● Self-Referral
  ● Other Students

II. Assess
Grade level counselor collects all available data to assess best protocol, which may include:
  ● Interview referral source (parent, administration, etc.) and/or secondary source (other parties involved)
  ● Review student records, including previous years’ documentation, in eCST
  ● Staffing with district mental health professionals

III. Action
Once a referral has been made, data has been collected and assessed, the grade level counselor takes action, which may include the following:
  ● Manage student concern immediately (crisis counseling following district protocol, deescalating, processing)
  ● Provide skills and strategies for the student to self-regulate
  ● Contact parent to discuss concerns
  ● Refer the student for more specialized support (campus wellness counselor, district Licensed Mental Health Professional, community referral, mental health officer)

IV. Follow-Up
  ● Student interactions and services are documented per AISD protocol
  ● Counselors involve wrap-around services for students, including school staff, AISD staff, community support, and parents
  ● Counselors schedule follow-up support

School counselors recognize that their primary obligation for confidentiality is to the students they serve but balance that obligation with an understanding of the rights of parents or guardians to be the guiding voice in the children’s lives.
PERSONAL PROPERTY AT SCHOOL

Coats, backpacks, instruments, and other articles of value should be labeled with the student’s name. Students should not bring items of value to school that are not directly related to class activities, such as game systems, electronics, or collectible items. If brought to campus, they are the sole responsibility of the student to keep safe. There is a “Lost-and-Found” area in the office for missing items. All items will be stored in the office for at least 3 weeks. Unclaimed items will be donated at the end of each semester. The school is not responsible for lost or unclaimed.

TEXTBOOKS

All basic texts are loaned to students for their use during the school year. Textbooks are to be clean and free of writing, tagging, and/or drawings. Misuse of textbooks is unacceptable and will result in fines and/or replacement fees. Lost textbooks must be paid for immediately. Students that owe money for lost or damaged textbooks will not be issued additional textbooks until the obligation is cleared. Textbook obligations can result in students not being able to participate in some school activities.

LIBRARY

The library is open from 7:50 a.m. until 3:45 p.m. Books may be checked out for two weeks. Students are responsible for returning the books promptly and in the condition in which they were received. If a student loses or damages a book, the fine must be paid before additional books can be checked out again. Book obligations can result in students not being able to participate in some school activities.

GETTING INVOLVED AT LAMAR!

All students are strongly encouraged to “get involved” at Lamar Middle School & Fine Arts Academy. Students are reminded to listen carefully to daily morning announcements, as well as encouraged to read the weekly Scottie Newsletter. Lamar offers many excellent programs, electives, and activities.

AUSTIN INDEPENDENT SCHOOL DISTRICT

MIDDLE SCHOOL CAFETERIA MENU INFORMATION

(Breakfast is served from 7:50 a.m. – 8:20 a.m. and Lunch during 3rd and 7th periods)

A.I.S.D. participates in the Eat Smart program of the Coordinated Approach to Child Health (CATCH) program. A.I.S.D. school menus meet the standards of CATCH providing mostly “GO” foods, some “SLOW” food and only rarely “WHOA” foods. Lunch menus are designed to meet one-third of the Recommended Dietary Allowance of middle school students for calories, protein, iron, calcium, Vitamin A and Vitamin C. Averaged over a week, meals also contain less than 30% of calories from fat and less than 10% calories from saturated fat. Efforts are made to increase fiber by providing whole wheat breads whenever possible and serving fresh fruits and vegetables daily. Students may only bring food & drink items for themselves and not others (i.e. students and/or parents may not bring food to share with other students. Instead of sending your child with a large bag of chips – send individual servings.)

Go, Slow & Whoa Guidelines

"GO" foods consist of those lowest in fat, no added sugar, and are less processed than other foods in the same food group. Go foods consist of fruits, vegetables, whole grains, lean meats, fat free and low-fat dairy products with no added sugar.

"SLOW" foods are higher in fat, sugar, and more processed. Slow foods include reduced-fat plain milk and dairy products, reduced-fat meats, refined -rains and Go foods that are prepared with added fat or sugar.

"WHOA" foods are highest in fat, sugar, and most processed. Whoa foods include whole milk, fried foods, and foods prepared with large amounts of added fat and sugar.

A healthy diet consists mostly of GO foods, fewer SLOW foods, and rarely WHOA foods. All foods can be eaten in
moderation, and some foods can become a WHOA food if eaten in large quantities.

**Menu Guidelines**
Lunch consists of an entree, two selections of fruit, vegetables or salad, bread that may be a part of the entree or separate and a choice of milk. Students may select all five components or may take three components for a full meal. Meals are priced as a unit;
However, each item is available a la carte. The lunch menus are on a 2-week cycle. Menus may be subject to change at any time throughout the school year.

Current Menus and nutritional information for each menu item can be found at [www.austinisd.org/schools/menus/ms.phtml](http://www.austinisd.org/schools/menus/ms.phtml).

**STUDENT DISCIPLINE EXPECTATIONS**

In an effort to provide an environment that promotes the highest standards of student performance, Lamar Middle School & Fine Arts Academy has adopted a Discipline Management Plan that includes a Code of Conduct for all of its students to follow while on our campus or at school sponsored functions. The Discipline Management plan is aligned and coordinated with the *AISD Student Code of Conduct*. All students will be expected to follow the rules of the Discipline Management Plan, as well as the *AISD Student Code of Conduct*. Students will receive a copy of the *AISD Student Code of Conduct* within the first six weeks of school. The *AISD Student Code of Conduct* can also be found at lamarmiddleschool.org and the front office.

**Students must:**
- Follow all district, school and classroom rules
- Show respect for him/herself and the rights, feelings, and property of others
- Arrive to school and class prepared to learn with the necessary supplies and materials
- Help to maintain a safe, clean, and positive learning environment
- Wear clothing that is not detrimental to the educational process

Additionally, per the AISD Student Code of Conduct page 2, “A student whose behavior shows disrespect for others, including interference with their access to a public education and/or a safe environment, will be subject to disciplinary action. The district or individual schools may impose campus or classroom rules in addition to those found in the Student Code of Conduct. These rules may be listed in the campus student handbooks or posted in classrooms and may or may not constitute violations of the Student Code of Conduct.”

Furthermore, per AISD Local Policy, “A District employee shall adhere to the following general guidelines when imposing discipline:

1. A student shall be disciplined when necessary to improve the student’s behavior, to maintain order, or to protect other students, school employees, or property.
2. A student shall be treated fairly and equitably. Discipline shall be based on an assessment of the circumstances of each case. Factors to consider shall include: a. The seriousness of the offense; b. The student’s age; c. The frequency of misconduct; d. The student’s attitude; e. The potential effect of the misconduct on the school environment; f. Requirements of Chapter 37 of the Education Code; and g. The Student Code of Conduct adopted by the Board.”

**15-minute Lunch Detentions**
- Detentions may not exceed 15 minutes AND must be served in the detention center (Portable 11)
- Only Lamar staff and substitutes may assign student detentions
- Failure to serve detention after two lunch periods may result in a half-day of In School Suspension (ISS)
- Detentions are served during the last 15 minutes of lunch in Portable 11
- An announcement will be made alerting students of lunch detention movement time
- Staff is not required to contact parents about lunch detentions
- For every 10 lunch detentions, the student will serve a full day of ISS for persistent misbehavior

**Time-outs**
All time-outs must be served in Portable 11. In order for teachers to use the timeout system, they must first provide 3 redirections and a lunch detention prior to sending the student to timeout. See a recommended format below:
- Steps 1-3: Teacher discretion (usually a verbal/non-verbal warning or redirection; could
involves a student responding to reflective questions or copying a short passage from a text – no longer than a few minutes needed to complete this task.

- **Step 4**: Lunch detention (no longer than 15 minutes) to be served within the next two lunch periods.

- **Step 5**: Removal to time-out center and communication to home. (The removing teacher MUST attempt to contact the parent that day for all removals from classroom). All students sent to time-out will receive a notice for parents that must be signed and returned to the time-out center staff the following school day.

- **NOTE**: A student at Step 5 may be removed to timeout for 15 minutes (first timeout that period) or the remainder of the period (second timeout that period). If a student gets a lunch detention at Step 4, then that detention is voided at Step 5. The Time-out monitor will give the student a notice to be signed by a parent (which includes a place where the parent indicates that the teacher communicated with a parent about the removal from the room). Failure to return the signed notice the following school day will result in a half day of ISS.

- **For every 10 time-outs, the student will serve a full day of ISS for persistent misbehavior**

### In School Suspension (ISS)

Any student refusing to go to ISS will be home suspended for one to three days. Any student removed from ISS for insubordination or disorderly conduct will be home suspended for one to three days. All students assigned to ISS for more than one period will be given a parent notification by the ISS monitor upon leaving ISS. The student is responsible for delivering the notification to their parents. An administrator will attempt to notify the parent by phone of the removal.

### Hallway Expectations

- Use inside and appropriate voices
- **WALK**
- Behave appropriately (no horseplay)
- Avoid loitering in the 4-corners (intersection at 200, 300, and breezeway hallways), at hallway intersections, and in front of exit doors
- Treat all adults and students with respect

### Cafeteria and Lunch Expectations

**Walk**, do not run, to the cafeteria. Please wait your turn in line and do not cut in front of your peers. The cafeteria will be as clean as you make it. All students must be seated while eating and drinking. When you are done eating, please throw all of your trash in the cans provided. **No drinks or food are allowed outside of the cafeteria area without authorization.** Students may play outside in the courtyard, basketball court, football field, or track if weather permits the last 15 minutes of lunch. Food will not be served the last 5 minutes of lunch. Only the cafeteria restrooms may be used during lunch. If a parent wishes to pick up their child and go off campus for lunch, the student must be checked out through the main office and return by the end of lunch. If the student returns late, the tardy or absence will not be excused.

***Students may only bring lunch/breakfast/snacks for themselves, and are not permitted to share food with others.***

### DRESS CODE

Austin ISD’s student dress code supports equitable educational access and is written in a manner that does not reinforce stereotypes. Any restrictions to the way a student dresses must be necessary to support the overall educational goals of the school and must be explained within this dress code.

   - Religious headwear
   - Hats facing straight forward or straight back and must allow the face, ears to be visible to staff and not interfere with the line of sight

   - Any item that obscures the face or ears (except as a religious observance)

Students will only be removed from spaces, hallways, or classrooms as a result of a dress code violation as outlined in Sections 1 and 4 above. Students in violation of Section 1 and/or 4 will be provided three (3) options to be dressed more to code during the school day:

1. Students will be asked to put on their own alternative clothing, if already available at school, to be dressed more to code for the remainder of the day.
2. Students may be provided with temporary school clothing to be dressed more to code for the remainder of the day.
3. If necessary, students’ parents may be called during the school day to bring alternative clothing for the student to wear for the remainder of the day.

These dress code guidelines shall apply to regular school days and summer school days, as well as any school-related events and activities, such as graduation ceremonies, dances, field trips, school trips, and prom.

Violations of the Dress Code
1st and 2nd offense:
Conference with student and/or phone call to parents with an opportunity to comply with district dress code. If the student is unable to change into clothing that complies with the dress code, then they will be placed in In-School Suspension (ISS) for the remainder of the school day (or until in compliance with dress code).
3rd offense:
Discipline referral, phone call to parent, and removal to In-School Suspension (ISS) for one full day.

Further offenses may result in a parent conference, multiple days of In-School Suspension, or possible Home Suspension. The administration, in cooperation with the sponsor of an extracurricular activity, may regulate the dress and grooming of students who participate in that activity. Students who violate specified standards may be subject to disciplinary action. The administration is authorized to appraise a fashion, fad, or article of clothing to determine its suitability for being worn at school. The campus administration shall be the final authority on all dress code decisions.
**CELL PHONE/ ELECTRONIC DEVICES/Other**

**Distracting Objects**

All cell phones and electronic devices must remain turned off and out of sight during the school day (8:30 a.m. and 3:40 p.m.) while on school property. This includes during class, passing periods, hallways, cafeterias, gymnasiums, etc. Students may not possess telecommunication or electronic devices on their person during testing periods. Violations of these rules may result in confiscation of the device. Additionally, students may be subject to disciplinary action for violating these rules, and their privileges may be suspended or revoked.

The campus policy for electronic devices in the possession of students will be as follows:

- May not be used between 8:30 a.m. and 3:40 p.m. **Teachers are not allowed to authorize the use of electronic devices during the school day**
- Electronic devices, including headphones, must be out of sight during the school day. They must be placed in the off or silent setting, and stored in lockers, backpacks or pockets (out of sight)
- If a student is using or showing an electronic device in the classroom, then the teacher will collect the device, without warning, and return the device at the end of class. Insubordinate or argumentative students will be sent immediately to ISS, an administrator will collect the device which will only be returned to a parent or guardian, and the student will remain in ISS for the remainder of the period
- Students that persistently violate this policy will lose the privilege of possessing such devices at school

Further violations will be handled by the administrator and may result in ISS (In School Suspension). The school is not responsible for phones or electronic devices brought on to school property that are lost, stolen or damaged.

**SKATEBOARDS, SCOOTERS, BICYCLES**

**(Other wheeled devices)**

Skateboards, scooters and bicycles may not be ridden on campus at any time of the calendar year. They may only be ridden on the public sidewalk which lines the perimeter of the campus. The sidewalk that passes by the bus loop is not a public sidewalk during loading and unloading. All sidewalks on campus and not along the perimeter are considered school sidewalks and may not be used for riding these devices. Disciplinary action may be taken for violations.

**BUS EXPECTATIONS**

Students have the privilege of using AISD transportation services. Students must follow the directions of the bus driver at all times. The driver is in full charge of the bus and students. Student misbehavior puts everyone on the bus in danger. Violations of bus rules may result in students losing the privilege of riding the bus. While riding the bus students shall:

- Refrain from yelling or loud conversations
- Stay in their seats while the bus is moving
- Refrain from throwing objects on the floor, at others, or out the window
- No food or drinks on the bus
- Keep all parts of their bodies inside the window

ADDRESSING GENERAL MISCONDUCT: DISCIPLINE INTERVENTIONS

Level I: Teacher Directed Discipline Management
Many times, misbehavior can be handled by the teachers in the classroom. Students will be informed of rules and procedures, and immediate and consistent action by the teacher may stop most misbehavior. The teacher may choose to discuss the misbehavior with parents and administrators. Level I violations and discipline options are not limited to those described below. Repeated violations may result in referral to administration (Level II)

- Violating classroom rules and procedures
- Failing to complete work (inattentiveness, sleeping in class)
- Cheating or copying the work of another
- Horseplay, scuffling, games that involve hitting, slapping, tripping and other forms of physical aggression
- Minor defacing/damage or property
- Throwing/inappropriate handling of objects
- Running in the classroom or halls
- Chewing gum

Level II: Administrator Intervention (Referral)
More serious misbehavior will be referred to an administrator, usually the Assistant Principal, with possible intervention by the School Resource Officer. A discipline referral is sent to the Assistant Principal describing the misbehavior and outlining the action taken. The administrator confers with the student and/or may confer with the teacher to decide what action should be taken, depending on the offense, previous actions, and the seriousness of the misbehavior. Typically, Level II violations will incur a 1-3 day home or in-school suspension. Level II violations and discipline options are not limited to those described below:

This can include name-calling, ethnic or racial slurs, or derogatory statements that school officials have reason to believe will disrupt the school program or incite violence
