Wedding Packages

preface

Welcome! This docket will help you choose the right package that works for your needs and budget. All wedding packages come with full access to high resolution, professionally edited images by Adam H. Brandt Photography. You can download and print any final images you receive regardless of the package you select. Engagement sessions typically provide 40 images and wedding day photography offers about 400 images of the day. Prices may vary depending on travel and unique needs.

prime

\$2,500 - This is the most inclusive wedding package. Prime includes 2 photographers for the whole day, an engagement session, a personalized wood photobox with 25 5x5" hand-selected photos from your wedding and engagement photos, and a personalized thank you card template for you to send to your guests.

luxe

\$1,900 - The luxe is the most popular package. Luxe includes 2 photographers for the 10 hours and half off an engagement session (50% off \$200).

debut

\$1,200 - This is the most affordable package. The debut provides one photographer for 6 hours of wedding coverage.

engagement session

\$200 - This is a stand alone engagement session with one photographer. This can be added to the price of the debut package. The luxe package gives you an automatic 50% off your engagement photos, and the prime package covers the engagement session completely.
