

KIDS CAMP
OPEN TO KIDS 6 TO 14

During the summer months our farm is bursting with flavor and our kitchen is full of action!
Here at The Farm Cooking School we offer two 5-day camps for kids ages 6-14 that run from 10am-2pm Monday-Friday.

This is a hands-on, interactive experience where we introduce our young chefs to everything from basic cooking skills and techniques to seasonal ingredients and even International cuisines! Each day our campers divide their time between the kitchen and the fields, where they'll plant seeds, pick produce, and learn about farm animals. The week includes several excursions to other farms, including the fruit orchards at Manoff Gardens and our neighbors, Goat Hill Animal Farm. The cooking curriculum is designed to build confidence in the kitchen and covers knife skills, sauteing and roasting, pizza and pasta making, and much more! After cooking, our campers sit down to a delicious lunch that they prepared themselves!

July Camp: July 9 to 13
August Camp: August 13 to 17
Price: \$750
