

Christmas Is Coming

Unfortunately, due to Covid19 SDBC will not be having our mass Annual Toy Ride! Santa is disappointed that he won't be able to see all your smiling faces this year, however, he reminded us that this year more than ever, there is a greater need to collect toys for those children in need as so many families are out of work.

So, how can you help spread some Christmas spirit to those in need, well we've come up with a few alternatives:

Form a small group of 3-x of your typical ride buddies and do your own Toy Drive to the Kroc Center dressed in your best Christmas costume. Deliver unwrapped toys and/or packaged food goods (food goods are very important if you can take both) on either **Saturday December 12 or Sunday December 13** and the Center will have people to greet you there between the hours of 10:00 and 4:00, Remember masks and social distancing. The route is on the next page. For those of you who have been there before, it will be a different building in the Kroc complex, address **4270 69th St**. Look for the Toy and Joy Workshop signs. Restrooms will be available.

2. Order gifts online and have them delivered directly to the Kroc Center through the links below: The links are set up to deliver straight to the Kroc Center

a. Angel Tree of Kroc Center via Walmart:

<https://www.walmart.com/registry/registryforgood/6306dce2-2102-4bde-bf2e-4473c2f3a924/view>

b. The Kroc Center Wish list on Amazon: <https://a.co/1Oo8cf2>

3. Drop off gifts at our sponsor shop, UC Cyclery, in the box inside the store no later than Friday, December 11th. While you're there why not pick up a little something for your favorite cyclist.

Any gift will be much appreciated and will help bring a smile of joy to a local child in need on Christmas day!

Thank you,

Rod Stubbs
