The Search For Significance
Seeing Your True Worth Through God’s Eyes
by Dr. Robert S. McGee

The Search For Significance started a quiet revolution.

How did The Search For Significance become such a phenomenon, transforming lives of people from all over the world? This modern classic has made its way into the homes of more than three million people. Experience it for yourself, and you’ll understand why.

Here is what makes this book so uniquely powerful:

The journey begins in a very private place—your thoughts.

- When I fail at something, I feel lousy about myself
- When others don’t approve of me, I can’t seem to get over it
- Sometimes it feels like I’ll never measure up

These are the universal lies that trigger the cycle of self-doubt, robbing you of joyful living. Now, you can free yourself from these self-defeating lies.

One by one, The Search For Significance confronts these lies, dismantles them, and points you to a higher truth that is the source of life’s meaning. It points you to Almighty God—the source of life itself.

With a hands-on workbook and new, revised material, now is the perfect time to discover The Search For Significance. If you’ve already encountered its life-changing truths, there’s no better time to explore them all over again, enriching your life in the process.

About the Author

Dr. Robert S. McGee is the author of The Search for Significance, which has sold more than 3 million copies. A noted author and lecturer, Robert started Rapha, which helped 40,000 psychiatric patients. He has been involved with Christian counseling most of his adult life, helping believers heal from their emotional wounds. He began this career after returning from Vietnam, where he was a helicopter pilot.
