PAVERS & POOL COPINGS

Terrazzo+Stoneworks pavers are made on our Italian tile press under extreme pressure using the best raw materials, ensuring greater resistance to shrinkage and cracking. Ideal for commercial or residential landscaping projects.

Custom made products

- Stair Treads
- Cladding
- Tree Rings
- BBQ Tables
- Outdoor Fire Hearths
- Mowing strips
- Stair nosings

- Delivery available within the Auckland area.
- Pavers sold as full units only. When ordering you should round up the number of tiles required to the nearest whole number and allow a percentage for wastage and cuts.
- Tile thickness can be calibrated upon request.
- Our tiles are made with natural materials and there may be minor colour variations from the samples provided.
- Cutting service available for larger quantities.
- Standard terms and conditions apply.

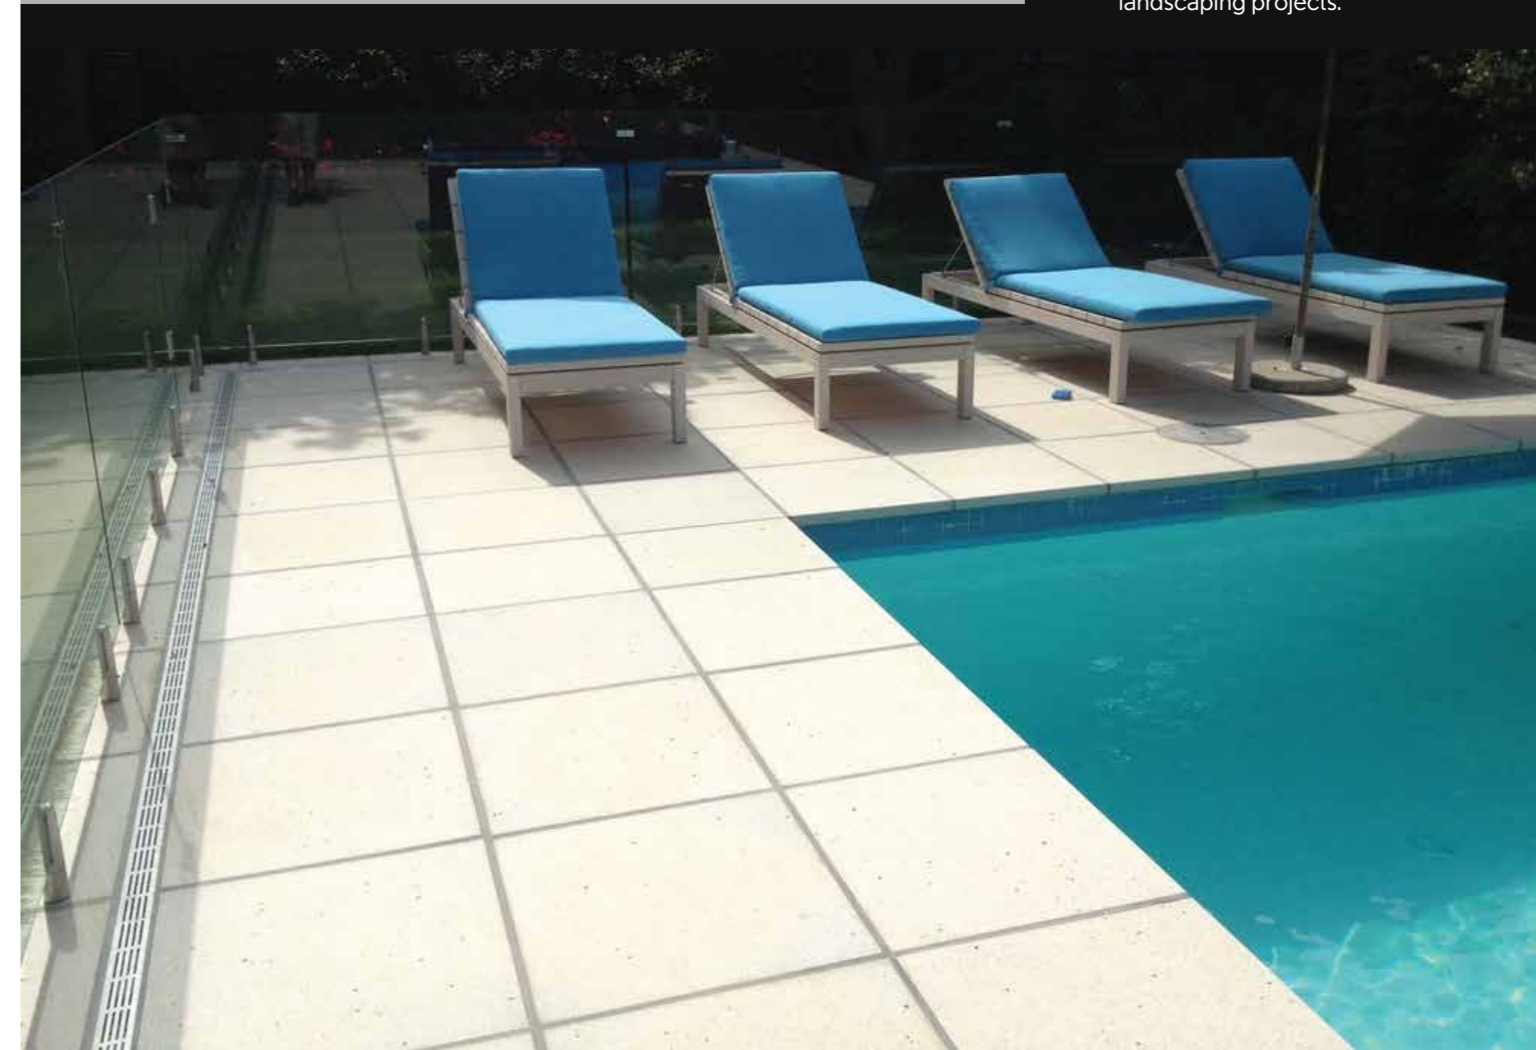

Bespoke surface finishes

- Diamond Grind
- Honed
- Brushed
- Sand Blasted

Services
