

We need your perspective!

L2L is a ministry of our MB Conference that coaches leaders and churches enabling them listen to God and discern their next

steps especially as they enter into a season of Pastoral Transition. Often people with in a transitioning congregation have varying views on the health of the church and what kind of leadership is needed to move forward. To this end, L2L has developed an **online assessment tool** to help people listen to God and each other. It will result in a common understanding of our current situation and what God might be saying to us as we enter our next chapter.

Dave Jackson of L2L: will facilitate the processing of our assessment and debrief it with our entire congregation. The assessment has five sections and takes 20 minutes to complete. Your participation will be a gift to our church. We thank you in advance.

January 8 - 22

our entire church family will have the opportunity to complete this online assessment of Grand Forks Gospel Chapel

We will send you the link via email. You can complete the assessment on your computer, pad or phone. If you aren't on line, pick up a paper copy of the assessment and return it no later than January 22

Our Facilitator

Dave Jackson has served our Mennonite Brethren Conference for the last nine years. His mandate has been to assist leaders and churches in clarifying their call and direction by listening to God. He longs to see healthy, safe, churches marked by love, mercy and truth where "lost" people find hope in Jesus and "found" people discover their place in the larger story of His "wild" love.
