

Pray for the Lanten People

Pray for the leaders among the Lanten.

Pray for church planting movements among the Lanten and for churches to be established in every Lanten village of Laos, Vietnam and China.

Pray for more people to join the harvest.

Pray for more trainings done by the Lanten among their own people to enable many more to join the harvest.

Pray for the youth of these Lanten believers to follow Jesus and not be tempted by the world and for ways to support their education and establishing themselves.

Pray for Lanten people to start successful jobs/businesses for a good income which will help to facilitate church planting movements.

Pray for oral and written Bible translation to be completed.

Pray for the radio station to reach the lost with the gospel of Christ.

Pray for all of the Lanten believers and Christian workers among them; for financial provision, freedom from debt, protection and strength, and for a great harvest
