

## Rhode Island School of Design

BFA Illustration, 2015

### Experience

#### Atelier Ace

New York, NY

Designer, 2015–Present

Member of a small team of multidisciplinary thinkers and designers working to create spaces, moments, products and experiences within the context of the brand of Ace Hotels. Working across media, from print to web to product to interior signage and wayfinding all within the various dialects and vocabularies across the family that is Ace Hotels.

#### Martha Stewart Living Omnimedia

New York, NY

Freelance, 2014–2015

As a Freelancer, organized and produced the American Made pop up market at the American Made Summit. Responsibilities included the coordination of the logistical realities of the shop in combination with the aesthetic task of the curation of the product selection and creation of custom product for the shop. Additional work as a designer and illustrator conceiving and executing exclusive print and digital materials for the company.

#### Clerestory Journal of the Arts

Providence, RI

Design Editor, 2011–2015

Leader of a small selective team responsible for conceiving and implementing design concepts for the formatting of text, art, and packaging. Participated in planning release parties, performances, and other related events.

#### Candlewick Press

Somerville, MA

Design Intern, 2013

Assisted designers with typography research, format selection, preliminary page set up, and scanning of illustrations. Laid out and trimmed layouts to construct book dummies. Created original artwork for pitches.
