Thanks for joining us in our mission to deliver STEAM education to students around the world.

Our Yammer community is a path to exciting learning possibilities and powerful collaboration potential.

Setting Up an Account is Simple

- To begin, go to www.yammer.com/creatingsteam. You will land on the page to the right.
- Enter your email address in the space provided. Use an email address that you use often and that has a password you can remember.
- Click “Sign Up”.

The screenshot shows a web browser window with the URL <https://www.yammer.com/creatingsteam>. The page features the 'CREATING STEAM' logo in the top left and navigation links for 'Return to yammer.com' and 'English (US)' in the top right. The main content area is titled 'Welcome to the CreatingSTEAM Network' and includes the instruction: 'To access this external network, please enter your company email address.' Below this is a text input field labeled 'Enter your work email', a blue 'Sign Up' button, and a link for 'Log In' with the text 'Have an account?'. On the right side, there is a section titled 'Yammer is a private social network for your company.' with a subtext: 'Your company is using Yammer to share files, discuss projects, and get work done faster.' and a 'Learn more' link. The footer contains a list of links: 'About Us', 'Pricing', 'Apps', 'Developers', 'Jobs', 'Blog', 'Terms', 'Privacy', and 'Help'.

What Happens Next?

- Once you hit “sign up” our admins will receive a notice that you want to join. They will approve within 48 hours and you will receive a notice. Then you have to create a profile.

You are now officially part of the network! You can begin taking part in conversations across all groups in the network.
