Intentionally, using just the first five notes (C to G), the course allows and encourages the important early development of a brass player's most vital commodity, the lips! Demonstration and accompaniment CD included.

Let's Progress **

Let's Progress (Grade 1 Course) extends the range to middle C and sets out to provide beginners with the basic essentials, preparing them to tackle some of the challenges they will meet in their first experiences of playing in a band. Demonstration and accompaniment CD included.

Let's Perform **

Let's Perform (Grade 2 Course) introduces new notes, rhythmic patterns, time signatures and key signatures. Working at these lessons will help equip you to rise to the many challenges that lay ahead in the music that you will encounter in the Young People's Band.
