Information All Around Collects

All Around appreciates the importance of privacy to our clients and visitors to our site. It is our policy to treat the information we collect about our customers as confidential. We require customers who want to use *All Around's* services to produce their company name, customer name, address, phone number, email address and billing information, including credit card information if applicable.

All Around will not give or sell confidential or personal information about our clientele to any third party not affiliated with their transaction, except as required by law or as necessary to provide services to the customer. Our goal is to provide our customers with an efficient and easy to use experience while using our site.

Our Dedication to Security

All Around is fully committed to protect the security of our clients' private information and their data from loss, misuse, unauthorized access or disclosure, alteration, or destruction. While *All Around* makes every effort to ensure the integrity and security of our network and systems, no security system or system of transmitting data over the Internet can be guaranteed to be 100% secure. *All Around* maintains reasonable and appropriate physical, electronic and managerial procedures to safeguard and secure the information we collect online, including the use of encryption when collecting or transferring sensitive data such as credit card information. The *All Around* site is hosted on a secure server that uses the most up-to-date firewall and technology to prevent interference or access by outside intruders. *All Around* customers are responsible for maintaining the confidentiality and security of their password and user registration information

How All Around Uses Your Information

All Around uses the information we collect to set up, support and bill for the services we provide to our customers. Customers who use our online order-entry system are asked to provide certain personal information when they sign-up for our services including name, address, telephone number, and billing information.

The personal information collected during the registration process is used to manage each customer's account (such as for billing purposes). All Around customer email addresses and any personal customer information are not distributed to or shared with third parties. We may occasionally use non-personally identifiable aggregated data in order to better understand how our site is being used or to improve our services.

Cookies

The *All Around* website uses cookies containing encrypted information to allow our system to uniquely identify you when you login as well as process your online transactions, your customer status and settings preferences. They do not identify you personally and are only active during the time you are conducting business on the *All Around* website.

Customer Information Retention

All Around retains information about our customers as necessary for business purposes and as required by government regulation. As an example, we retain information about packages shipped, including names and addresses, in order to provide proof of delivery and process any claim requests.

Links to Other Sites

The *All Around* site may provide links to other websites or resources. We do not control these sites and resources, and are not responsible for their availability, content, or delivery of services. Conversely, external sites are not bound by *All Around's* online privacy policy. Your continued use of this site signifies your agreement to the ***All Around SoCal Courier Privacy Policy***.
