Patient Instructions for Home Medical Equipment

In order for ABC Health Care to complete the request for your prescribed home medical equipment, we will need the following documentation requirements completed in full and provided to our office in their entirety.

1. Receive copy of ABC Health Care "Home Medical Equipment – Instructions & Documentation Requirements" packet
 Completed
2. Fill out the "ABC Health Care Patient Information Record" document
 Completed
3. Using the "Written Order Requirements" document, confirm your prescription / "written order" written by your physician meets the insurance-driven requirements. If not, contact your prescribing physician for a new prescription / "written order" or to make the appropriate changes to your existing prescription ***Important, please note - All edits to an existing prescription must be initialed and dated by the signing physician.***
 Completed
4. Using the "Equipment Documentation Requirements" document, confirm all Insurance-required documentation is included. If not, contact your physician to request the Insurance-required medical documentation.
IMPORTANT - Medical documentation written on a prescription / "written order" is not accepted by Insurance companies. It must be written separately in your medical records and be part of your medical history from your prescribing physician.
 Completed
5. Once complete, submit all of the following to ABC's DME department. It will be scanned and returned to you.
 - "Patient Instruction for Home Medical Equipment" form
 - "ABC Health Care Patient Information Record" form
 - Valid Prescription / Written Order
 - Equipment Documentation form with the accompanying Medical Records / Medical Documentation
6. An ABC Health Care Medicare Quality Assurance associate will review the order and documentation within 48 hours of submission.
 - If order and documentation are not complete, the Medicare Quality Assurance associate will deny the request for equipment and inform you of reasons.
 - If order and documentation are complete, the Medicare Quality Assurance associate will approve the request for equipment and inform you of approval and process for receiving your equipment.
Important, please note - ABC will only provide equipment after patient co-payment, deductible, and/or prior balance is collected.
7. ABC Health Care will file your medical equipment claim with Medicare for you and an Explanation of Benefits from CMS will follow to confirm billing is complete.

Equipment Requirements & Check-Off List

• TENS Units •

In order for ABC Health Care to complete the request for your prescribed home medical equipment, we will need the following documentation requirements completed in full and provided to our office in their entirety.

Transcutaneous electrical nerve stimulation (TENS)

o Detailed Written Order Requirements:

- Patient name
- Date of order
- Detailed description of items and related accessories:
 - “E0730 – TENS unit - 4 lead”
- Quantity = 1
- Frequency = Daily
- Duration / length of need must indicate if this order is for an initial use or ongoing use after an initial period:
 - If initial use, it must be trialed = “Initial trial of 2 months”
 - If initial use was successful = “Trial successful, length of needs is 99 months”
- Physician name
- Physician signature
- Physician signature date
- NPI on prescription that matches ordering physician's signature

o Documentation within the medical chart from physician within six months of the Written Order detailing ALL of the following:

- Patient examination notes from physician must address the diagnosis and condition for which the TENS therapy is being prescribed.
- Intractable chronic pain (not of the Lower Back) with etiology that presumably responds to TENS therapy.
 - NOTE – TENS therapy will not be considered medically necessary for:
 - o Headaches
 - o Visceral abdominal pain
 - o Pelvic Pain
 - o TMJ pain
 - o Low Back Pain – Unless the patient is enrolled in an approved clinical study.
 - *Contact office for documentation requirements related to provision of TENS to participants of approved studies.*
- Pain must have been present for at least 3 months
- Other appropriate modalities (medication, therapy, etc) must have been tried and failed. No other treatment options are available for this patient.
- The TENS therapy will help patient complete Activities of Daily Living (ADL).
- Patient is willing and able to safely use the TENS therapy within the home.
