Board Approved Fiscal Year 2017 -2018 Budget for Member Review

On April 5, 2017 the Board approved the Club's Operating and Capital Budgets for Fiscal Year 2017-2018. The Bylaws require that the Board approved Budget be adopted by the Membership at a General Meeting held in conjunction with the May luncheon (May 17, 2017). As noted in the Bylaws, in order to vote on the budget a member must be present.

The Woman's Club Annual Budget consists of the Operating Budget and the Capital Budget. The Capital Program supports the expenditures included in the Capital Budget. The current capital program was adopted by the membership at the March 15, 2017 General Meeting at the same time that the members authorized an amendment to the Capital Budget to allow the club to begin on the 2017-2018 restoration program this summer (2017). The approved Capital Program is included with the budget for your reference.

Finance Committee: Gwen Barry, Wynne Furth, Margo Ogus, Cathy Kroymann, Carol Lippert, ex-officio, Meg Monroe, Chair. If you have any questions about the budget do not hesitate to call any member of the committee.
