Twinkle twinkle little star, How I wonder what you are
Up above the world so high, like a diamond in the sky

Twinkle twinkle little star, How I wonder what you are
Up above the world so high, like a diamond in the sky

Twinkle twinkle little star, Are you shining up above my *ghar* (home)
And will my friends and family, even remember me?

Oh oh oh, Little star
*Ami jete chai, amar suchar ghar* (I want to go, to my sweet home)

Oh oh oh, Little star
*Tumi chaile dhoro hat, Ektu pore hobe rat*
(If you want to take me by the hand, come by a little later tonight)

*Sobar maje harie jete chai* (I want to lose my self amongst everyone)
*Vider mode tomake phai* (but in the crowd I find you)

*Keno kichu bhalo lage na, Ay man kotha sonena*
(Why is nothing any good? My heart doesn’t listen to me anymore)
One two three I wanna fly, Four five six don’t tell me lies

Twinkle twinkle little star, How I wonder what you are
*Sobar bhalo basa, La la la la pete chai*
(I love you and I will be happy if you love me too)

Oh oh oh, Little star
*Ami jete chai  Amar suchar ghar*

Oh oh oh, Little star
*Tumi chaile dhoro hat, Ektu pore hobe rat*

*Amar theke khub dure, Tumi chaile gacho*
(You’re far away from me, You left)
*Sob kichu die,  Ami bhalo bashi*
(I want everyone to love me)

Twinkle twinkle little star, Are you shining up above my *ghar*
And will my friends and family, Still love me?
