Dear Reference,

We appreciate you taking the time to fill out this reference form for us. We take our hiring for each and every staff member very seriously. Your valuable knowledge of the applicants character, work ethic, and personality will help us in determining our hires.

For 12 weeks we will be working with children and teenagers in an outdoor recreational environment that will be used to promote the gospel of Jesus Christ; because of the nature of our work and the level of difficulty, it is very important that we hire people of great character, who work well on a team, and are driven to work just as hard when they have nothing left. As a staff we are held accountable to each and every member that we hire for our summer team. Please take a few moments to honestly evaluate this person. We need a clear picture of who this person is. You have more knowledge than we will ever be able to gain from a few interviews.

We pray year round for our summer staff and we know that God will assemble the right people to serve with us this summer; along with this your reference will help us make this decision. We greatly appreciate you taking the time to fill this questionnaire out and pray that God will bless you for your efforts.

The applicant should have given you a stamped envelope addressed to The Master's Inn. Please make sure that this questionnaire is mailed out as soon as it is completed to:
