

Michigan Master Gardener Association, Inc.
MMGA EVENTS REQUEST FORM

The goal of the MMGA Website Events and Activities Page is to create a content rich resource site for Master Gardeners by providing detailed information about gardening opportunities and gardening education, with a provided link to additional information. Events must fit into the following criteria to be approved for posting by the MMGA Communications Committee:

-Provide Michigan Master Gardeners with an opportunity for education or other Affiliate Chapter sponsored events such as garden walks or plant sales, which a Chapter member requests to have promoted

-Be sponsored by a non-commercial organization such as a Michigan Master Gardener Chapter, a University-based extension program, a non-profit entity that focuses on gardening, the environment, sustainable practices in gardening, farming or other topics that are consistent with the Michigan Master Gardener mission

-Must avoid endorsements of products, companies (implied or direct) or the advocacy of any political position

When requesting a posting, please include the following:

Name of Event

Sponsoring organization

Date and time of the event

Location of the event

Brief description of the event (this may include focal topic of event or guest speakers)

Educational credit hours, if applicable

Website link to the event for registration information and/or email link to obtain more information.

To submit an event for posting on MMGA Website, send an email with the required event information to michiganmastergardenerassoc@yahoo.com with the subject line reading: "Event for Posting on Website". Request will then be forwarded to Communications Committee for review and approval.
