Administration Fee \$40.00 (Siblings \$25.00). This fee is non refundable; while it does not automatically ensure your child a place, it does ensure they are added to the waiting list to potentially gain one.

Once your child has been offered a place at Titoki Montessori School we will provide you with a full Enrolment Agreement form to be completed prior to the start date.

I have read the information given to me and am fully aware that once my child starts at Titoki there is an understanding, in accordance with the Montessori philosophy, that he/she will stay until 6 years of age, in the preschool programme.
