FREIGHT TERMS & CONDITIONS

Drayage is the term for handling freight. If you are sending freight for the show, it is important to work through Design Events. *Do not send your freight directly to the show facility. Area facilities typically do not receive and hold freight.* Design Events' fees for drayage include handling of your freight only. All charges incurred for shipping are separate, and must be arranged through a carrier.

Our services include:

Accepting freight at warehouse
Assisting vendor in tracking down missing freight
Transferring freight to show site
Placing labeled freight in your booth before vendor move-in time
Storing empty containers and returning them to your booth at the close of the show
Picking up labeled and packaged freight from your booth after the show
Scheduling with carrier a pick-up for the next business day

1. Please fill out the Freight forms completely, and send or fax them in so we know how much freight to expect and when to expect it. NO FREIGHT WILL BE ACCEPTED ON A COLLECT BASIS, and payment for drayage services must be made before your freight arrives at our warehouse.
2. Vendors are responsible for adequately packaging goods and properly filling out all paperwork.
3. Label each piece as follows: Name of show, name(s) affiliated with booth, name of company, and booth number. This will ensure proper placement of freight. Note on the label or package the total number of pieces, such as "1 of 6", "2 of 6", etc.
4. Direct shipments to the exhibit facility will only be accepted during customer service hours, and are subject to handling charges unless your representative is available to sign for delivery.
5. Vendors will be responsible for all shipping charges. Storage fees will apply if containers are received at our warehouse prior to (21) days before the show (.01/lb per day). Please time your shipping so your freight arrives at our warehouse on a weekday between 9am and 5pm. We will no longer accept freight at our warehouse after the show officially begins. If freight arrives at our warehouse during or after the set-up of the show, an additional charge of up to \$65 may apply if a special trip to the warehouse is necessary.
6. Design Events will not be liable for any damage to uncrated or improperly packaged materials or concealed damage.
7. Design Events must be notified if the number or type of items in your booth is not correct. You must contact the Design Events customer service representative at the show. No refunds will be made for items missing from your booth, if Design Events has not been notified during the Design Events customer service hours listed on page #1 of the exhibit packet.
8. Design Events will not be responsible for loss, theft or disappearance of exhibitor's materials after these items have been delivered to the exhibitor's booth, or before they are picked up from the booth for reloading after the show.
9. Design Events will not be liable for loss, damage, or delay caused by events we cannot control, including but not limited to acts of God, weather conditions, and labor strikes.
10. Design Events may, at our option, open and inspect your packages before or after you give them to us to handle for shipment.
11. Design Events' liability will be limited to the physical loss of or damage to the specific article which is lost or damaged, and in any event, Design Events' maximum liability shall be limited to \$.30 per pound per article with a maximum liability of \$50.00 per item, or \$700.00 per shipment, whichever is less.
12. Design Events will not be liable to any extent for any actual, potential, or assumed loss of profits or revenues, or for any collateral costs, which may result from any loss, or damage to an exhibitor's materials which may make it impossible or impractical to exhibit the same.
13. Design Events will not issue refunds for vendors who send freight or equipment orders, but subsequently fail to attend the show.
14. Design Events will issue a 10% billing fee if your charges are not paid by the end of the show.
15. International shipments must include the required documents for return shipping. Your customs broker can supply these documents. Lack of documents will delay return shipping.
16. Exhibits and materials for which arrangements have not been made with Design Events, will be transported to our warehouse, at exhibitor expense, to await disposition.
17. Design Events reserves the right to route exhibit materials via an alternate carrier in the event the designated carrier fails to pick up the shipment within a reasonable time after close of the show.
