

WHAT SHOULD I BRING TO CAMP?

Individual campers should pack to suit their needs and the length of their stay at camp. Please label clothes with either nametags or use a laundry marker. This will help us reduce our lost and found at the end of camp. To help you in your selection of what to bring we suggest the following:

- Plenty of socks and underwear
- Comfortable workout clothes – shorts, T-shirts, leotards, etc.
- Additional shorts and T-shirts
- A set of clothes that can get dirty
- At least two pairs of pants
- Warm pajamas
- Swimsuit
- Shower towel
- Beach towel
- Tennis shoes, sandals, and hiking boots
- Warm jacket
- Sweatshirts/sweaters (**Evenings can get chilly to downright cold**)
- Poncho or raincoat
- Sleeping bag and a bottom sheet or sheets and blankets (consider a large plastic bag to cover sleeping bag and pillow in case of rain during travel)
- Pillow
- Flashlight
- Personal articles – soap, shampoo, toothbrush, toothpaste, comb, brush, bug spray, sun screen, etc.
- Medications – ALL medications need to be turned into the Nurse and documented on the Medical Form
- Other things you may want to consider are cards, a camera (disposable is best), books, stationery, addresses, and stamps
- A laundry bag

WHAT SHOULD I LEAVE AT HOME?

Please abide by these rules to make camp a better experience for everyone.

- Cell Phones
 - Cell Phones with a camera feature are not considered cameras at Porter Camp
 - If we see a camper with a Cell Phone, the administrators will hold on to the phone (turned off) until the end of camp
- MP3 players/iPods/iPads/other electronic devices
 - Electronic devices are not allowed around camp, due the high chance of them getting ruined or lost
- Extra money outside of the Camp Bank
 - Campers will NEVER need actual money at camp, Canteen Cards and Bank Accounts are used
 - All money should be turned into the camper's Bank Account
- Rollerblades
- Bicycles
- Other valuables – We don't want to see any valuables misplaced, broken, or damaged
