Experience

COUTURE DESIGN INTERN - MARCHESA; NEW YORK, NY – SEPTEMBER 2017 – PRESENT

- Hand-sewed projects creating flowers, sewing appliqués onto garments; machine-sewed toiles.
- Helped develop embroidered/appliquéd fabric for AW 18 Bridal collection.
- Prepared all supplies needed for model fittings; assisted in fittings.
- Copied master patterns for production, and edited patterns as directed.
- Assisted with photo shoots for e-commerce and market line sheets.

DESIGN INTERN - SPECIAL MARKETS, MICHAEL KORS; NEW YORK, NY – JUNE 2016 - AUGUST 2016

- Pulled concept tears from print or online resources that represent current seasonal trends whose aesthetic is in line with Michael Kors.
- Created CAD sketches and presentation boards for exclusive accounts.
- Created print pitch sheets: excel documents thoroughly explaining the print being used in the delivery, fabric name, PMK #, colorways offered, and delivery.
- Sketched into tears, new bodies, new versions of repeats/best sellers using Adobe Illustrator.
- Arranged color standards/chips reflecting seasonal colors by delivery, sent out to factories.
- Developed understanding of difference between knits, wovens, and sweaters in regards to fit, measurements, fabric quality, nature of the yarns or fabric, etc.

SUPPORT DEPARTMENT LEAD AGENT/EMPLOYEE TRAINER, ETIX; MORRISVILLE, NC – 2012-2014

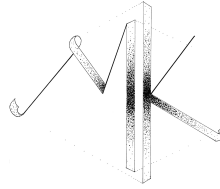

- Taught an extensive five-day training course to new support department employees.
- Collaborated with Operations department on special needs projects.
- Printed, sorted, and prepared for shipping the daily batch of tickets sold.
- Ordered and maintained inventory of office supplies across all departments.
- Responded to customer support needs via email and phone.
