Instructions for when you get there:

- Go to the Ticket Window or Entrance Gate.** *If you have not purchased tickets and only have coupons you must go to the ticket window first,* then go to the entrance gate. If you purchased tickets online go straight to the entrance gate. Once in the park head straight back and take a left just after the "Jumping Dragon" Ride. Our tent will be in the far back left corner of the Tent Area, which is North of the Canyon Stage and East of the Rocket Ride. Please add extra time to get through the gate.
- Find our Studio gathering area (tent), and check in with your Teacher and/or Team Parent.** We will have a tent for changing in and a canopy where all Gem Cloggers will meet.
- Pick up your Competitor Numbers for individual events and duets.** These are needed for individuals and short duets. Dan or Leah will have them.
- Get Stage Ready at the tent.** We have a tent at our area to change in. Stage Ready means you are ready to dance- hair, make-up, & costumes pinned (MUST do!).
- STAY at our Studio/Team gathering area!** Stay with your team parent unless they give you permission to go somewhere. You need to be ready to practice or line-up to dance as soon as you are called. Please be patient and ready. ☺
- After you dance, immediately get ready for your next event.**
- After you are done competing, check your Scores and pick up your Awards!** Once your scores are posted, you can pick up your pins for individual events and your medallion from the Awards Table. We will have your team award pins at your next practice.
NEW! Novice-Champ Team/Studio Overall Awards will be announced at Meadow Stage at 5pm.
- Relax with your Team, Cheer on other Cloggers, or go on Rides!**

Rides

We ask that you not go on rides until you are finished competing. Remember you are at the Lagoon to compete first. We don't want anyone getting sunburned, heat exhaustion, or stuck in line before having to compete. After you are done with your last event you are free to go. Rides are open from about 10am-10pm (some later). If you aren't sure about rides you can purchase standard admission and upgrade your pass later.

After the competition is over you are responsible to clean up after yourself in the tent area. The tent will be taken down around 5pm. We will not be responsible to clean up your costumes, garbage, coolers, etc. If you brought it in, please take it out. ☺

NEW All-American Team (Individuals and Duets)

New this year- Short Duets, A cappella, & A Cappella Duets now "dance off" in the Pro age divisions. Freestyle only dances off Friday night separately. Champ & Pro AA Solos and Long Duets are considered but not danced off. *You cannot dance off something you did not dance earlier that day.*

- Who can sign up-** Advanced 1st places, Championship 1st and 2nd places, all Pro. Advanced and Champ A Cappellas, A Cappella Duets and Short Duets must qualify, register and pay, then get in line with the Pro age divisions.
- Cost is \$30.** You must register to be considered. Winners receive an All-American jacket and are honored at the Awards Show on Saturday evening.
- JR All-American Awards** do not dance off separately or have an additional fee. All Beg, Int and Adv Individuals and duets are considered.
- The Final Program** has a list of all JR AA's and AA awards to be given out. There are only so many per category/age/level.

Tips

- Feel free to bring coolers, lawn chairs, and blankets and leave them at the tent while you go ride rides or watch the cloggers. We recommend using wagons to haul your gear!
- All items, coolers, props, tents, etc. must be brought in & taken out through the front entrance gate!**
- If you need to make registration changes, do so at the registration table. The fee to add a new event is \$30.
- Familiarize yourself with where the stages are. There are 5 stages all running at the same time.
- Smile and roll with it. Things won't always go perfectly, but it will be much less stressful if you keep a positive attitude.

Competition Etiquette:

- Do not eat or drink anything that will color your mouth.
- No jewelry on stage.
- Good Sportsmanship Only say positive things about your teammates, other Gem Cloggers and other competitors. Poor sportsmanship can ruin a competition experience.
