The Dance Loft, in collaboration with the *City of Long Beach Youth and Family Services*, is pleased to announce a FREE eight-session professional dance workshop to a limited number (20) of Long Beach School District students in grades 6-9. Students will have the opportunity to explore and participate in three different styles of dance—jazz, ballet, and hip-hop. Classes will focus on technique as well as the unique history of each discipline.

Dance education can be empowering, and this FREE class is designed for students who believe that dancing could help make a positive change in their lives. To apply for admission students must submit a short personal essay (one typed page) outlining previous experiences with dance, reasons why a professional dance class could have a positive impact in their lives, and what individual strengths they will bring to the group. Family members and friends will be invited to observe students as they demonstrate skills and reflect each genre studied at a special performance on Saturday, December 16th.

Applications are available at www.DanceLoftLB.com/register/ and must be submitted no later than October 17th. Once applications are received and reviewed, students will be contacted for a brief personal interview.

*** Priority consideration will be given to families demonstrating financial limitations as reflected below. Please make note of eligibility in personal essay. ***
