

# Step #1

To download a title after you have already started to watch it on Android, you will need to click above or below the “Resume” banner on the image.

Click above the “RESUME” band on the cover image to be taken to the title detail page where you will find the download option.

# Step #2

This will be what the screen will look like if you click above or below the “RESUME” band on the cover art. Then you will just click on “Tap here to download” to begin the temporary download.

The screenshot shows a mobile app interface for the movie 'The Librarian: Return to King Solomon's Mines'. On the left is a vertical poster for the movie, featuring Noah Wyle, Gabrielle Anwar, and Bob Newhart. Below the poster are the title, release year (NR 2006), duration (1h 33m), and language (CC ENGLISH). At the bottom of the poster are icons for 'FAVORITE', 'PLAY', and 'SHARE'. The main content area on the right is a white card with a blue header that says 'Tap here to download'. Below this is a description: 'Librarian-turned-adventurer Flynn Carsen endeavors to find King Solomon's mines.' The card lists genres as 'Action & Adventure, Fantasy, Sci-Fi & Fantasy' and the cast and crew, including Noah Wyle, Gabrielle Anwar, Bob Newhart, Jane Curtin, Olympia Dukakis, Erick Avari, Hakeem Kae-Kazim, Robert Foxworth, and Jonathan Frakes. Below the cast list is a section titled 'PEOPLE ALSO BORROWED' with four movie posters: 'The Librarian: Quest for the Spear', 'A Walk in the Woods', 'Spy Kids: All the Time in the World', and 'The Adventurer: The Curse of the Midas Box'. At the bottom of the card, it says 'Returns Friday, March 18 or return now'.

Click here to start the download process.
