WHAT'S A PRINTABLE

A printable is a PDF file that you use to either print from your home printer or take to a preferred local printer and they print it for you.

WHAT'S INCLUDED

A6 Personalised Birth Announcement Card - 148x105mm.

I can supply the PDF artwork as either a flat card OR a card that folds to A6, (A5 folded to A6).

Both options are single sided the reverse/inside is left blank for writing a message.

WHAT WE NEED

- Baby's Full Name
- Date of Birth
- Time of Birth
- Baby's Birth Weight
- Baby's Birth Length
- Mum and Dad's First and Last Names
- High Resolution Photos of your Gorgeous Baby

the number of photos required depends on the design you choose.

COLOUR

The Accent colour in these designs can be changed so that the design will work for either a baby boy or girl, if you wish to change the colours let me know and I will send you a colour chart to choose a new colour from.

APPROVE YOUR DESIGN

I will email you a proof of your personalised design. At this point, you can either approve it or send it back with any changes. Two proofs are included in your purchase.

PRINT

Once approved I will send you a high-res digital pdf file.  
Print these files at home, or take them to a professional printer.
