

PROCESS

---

STEP ONE

Choose a design from our wedding collection. Make a selection on format, products, quantities and card - email us with your requirements to begin the process. We will confirm the details of your order, a \$100 non-refundable deposit is due and our terms and conditions need to be signed and returned before design of your goods can begin.

STEP TWO

Supply your wording and content (we have a wording guide to help you with this). A PDF proof will be sent to you via email and up to two rounds of changes are included. Sign-off on your proof (by email) is required before your order can be sent to print.

STEP THREE

Once approved for print, allow approximately 2 weeks for your paper goods to be printed, assembled and delivered. You will receive your order ready to insert into envelopes, seal and then all you need to do is post! Depending on our workload rush orders may be possible. Shipping costs are additional and will be included in your invoice.
