## The School Mascot and the School Colors

The school mascot is the Bengal tiger. The Bengal tiger has been chosen because it evokes the ideas of power, enthusiasm, strength, courage, vitality and leadership. The school colors are maroon and gold.

## The School Song:

The spark is live, the spirit here,  
The time has come for us to cheer;  
Let Bengal fever rise,  
For bold maroon and burnished gold,  
With unity and pride.  
With hearts united let us sing;  
Begin the praises echoing with fervency and li  
Forward, now, and wave the colors  
As we sound out the vict'ry cry!

## Onward Maroon and Gold *Revised: Michael Teolis '71*

**Chorus:** We'll give a rah, rah, rah for Benedict's;  
A cheer for loyalty  
We're going to fight, fight, and fight for St. Ben High;  
Defend her unity.  
We'll give a cheer, cheer, cheer for colors bold,  
A symbol of all we hold.  
We'll rah for, fight for,  
Cheer for old St. Benedict,  
So onward maroon and gold.

Satisfactory achievement cannot be maintained without sufficient effort on the part of the student. Generally students will have at least 1 to 2 hours of homework per day. Trimester exams will be given at the end of each trimester for 8-12. Middle School students will take part in final exam readiness activities during the final schedule; unless they are taking a high school level course, then those students will take exams.

Grades for summer school courses and transfer courses are also used in the determination of GPA. The GPA determines the student's rank in his/her class. Students transferring into St. Benedict Prep will not be ranked until after the completion of one trimester at St. Benedict Preparatory School.

Trimester average grades are the **only** grades that count for course credit or failure.

### **HONOR ROLL 6-12**

Honor roll listings are determined for 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> trimesters. The Honor Roll ranking is based on current course earnings.

St. Benedict Preparatory School's vision of ministry is guided through the tradition of St. Benedict and inspired by the Holy Spirit, faculty, and parish staff. The Campus Ministry department is committed to providing students with programs where they can demonstrate compassion for their neighbor, encounter the Living God through ritual, prayer and service work, and find friendship with God through Jesus Christ.

### **RETREATS**

In order to be an exemplary Catholic school, St. Benedict students will have the opportunity to reflect on their spiritual formation through the spirit of retreat. Retreats are vital components that shape and strengthen our life of prayer, worship and to respond to Christ's call to serve others. Students in grades 6-12 will attend a mandatory retreat with their classmates throughout the calendar school year. If a student is absent, another retreat opportunity outside of normal school hours will be required to make up for his/her absence. Juniors and seniors will have the option to attend Kairos, a three night, four day retreat based on Ignatian principles.

### **SERVICE**

Because St. Benedict's is a place where students become seekers of social justice, service opportunities will be embedded within the student's curriculum across departments in grades 9-12. St. Benedict students will be encouraged to undertake service work at department-approved locations. Service is an opportunity to build relationships directly with communities who are in need. The true gift of service is found in the new found relationship forged by God's love. Ideally, this will root our students in a lifelong commitment of service, justice and faith.

As reflection is yet another vital component of our Catholic identity students will then be required to reflect upon their service experience in their online portfolio as part of their high school experience at St. Benedict Preparatory School.

## SECTION 4: STUDENT CONDUCT

*NOTE: ITALIC PRINT INDICATES NEW CHANGES FROM THE 2015-16 SCHOOL YEAR*

### DISCIPLINE CODE

St. Benedict Preparatory School affirms the fact that we are all children of God and human beings, and as such, understands how errors and lapses in judgment occur. While we are a forgiving community, we also understand that there are consequences to our actions, whether good or bad. The St. Benedict Preparatory School student holds strongly to the tenets of Catholic doctrine. Abstinence, respect, and charity are an important part of growing up safely and free from temptation, especially in our world today. The St. Benedict Preparatory School student seeks the road of integrity and honor.

Since the goal of the St. Benedict Preparatory School discipline code is to encourage positive behaviors in students, it includes the following features:

- **A system comprised of clear rewards and consequences.** To help students develop strong values, we do more than just punish their mistakes. With a system of merits, students can learn that good actions have positive consequences. Students learn more than a set of rules; they develop a concept of positive self-presentation.
- **A system that allows in-depth attention to individual students.** We track the patterns of behavior (both positive and negative) for each student. This information is used to give more individual attention to discipline problems and tendencies.

### THE MERIT SYSTEM

Each faculty and staff member is given a number of Merit cards each week. These card can be awarded to students throughout the school day for an act that exemplifies our school's mission in one of five categories, Excel, Challenge, Create, Honor, Serve. When a student receives a Merit card he turns it into either the main office or the student center. This then registers a point toward the house system for each Merit turned in and the student is then entered into a weekly raffle for various prizes.

This system motivates students to do good deeds and promote house system spirit.

The following is an outline of infractions. Detailed information of specific rules follows this outline. The Administration reserves the right to adjust these policies throughout the year. **Detentions will be served throughout the week. Students in grades 6-8 will be given one day notice. Students in grades 9-12 may be issued a same day detention that will not exceed 60 minutes.**

### **Tardy Policy Grades 6-12**

When students are tardy to school in the morning, they will receive a tardy slip to give to their teacher. When students arrive to school after 8:00 am, they will also be issued a 30 minute detention to be served the following day beginning at 7:00am. The 7:00am detention applies to both middle school and high school students. Phone calls from parents do not excuse the student from the tardy or the detention. During inclement weather students will be given extra time to arrive to school as determined by the administration.

A tardy will be defined as less than 40 minutes late for a student's first period class and less than 5 minutes for each period after the first period. Anyone arriving to first period more than 40 minutes late may be considered absent/truant. Tardies exceeding 12 per class will result in the student being removed from the class, and/or removal of extracurricular activities and/or in-school suspension or expulsion from school without refund. A parent conference is mandatory after the 6<sup>th</sup> tardy to class.

## **A-3 Non-Classroom (Hallway/Cafeteria/Foyer/Bathroom) Misconduct**

### **Dangerous hallway/cafeteria misconduct**

Hallway/cafeteria misconduct (B3) becomes dangerous when, in the judgment of the teacher/staff member the potential for harm exists. Running in the hallway becomes increasingly dangerous when others are in the way of the runner, for instance.

### **Locker violations**

- Each student will be assigned one locker and must use only the locker issued to him/her.
- Students may use only locks that are purchased from the school.
- Since St. Benedict Preparatory School owns all school lockers, the school reserves the right to examine lockers.
- Students are urged **not** to reveal their lock combinations to any other student.
- Lockers must be locked at all times.
- If a student forgets his/her combination, he/she must ask the Assistant Head of Secondary School for the combination.
- Lockers in the gym corridor are not to be used in place of lockers in the academic building.
- Students may not go to lockers during class periods.
- Students may not use gym lockers overnight unless they are participating in a sport that is in season. Gym lockers will be assigned by the athletic department. Students are responsible for items stored in lockers.

#### **A-4 Food/Drink Outside of Cafeteria (30 minute detention)**

The cafeteria is the only area where students are allowed to eat and consume beverages during school hours. Carrying food or drinks out of the cafeteria incurs a detention. The food or drink will be taken away from the student and disposed of. Teachers should not ask students to get food for them during the course of the school day. Students chewing gum will also incur a detention.

#### **A-5 Littering (30 minute detention)**

All members of the St. Benedict Preparatory School community are responsible for keeping our environment clean, healthy, and safe. Trash receptacles are plentiful; use them!

#### **A-6 Rough-housing / Play Fighting (30 min. detention)**

St. Benedict Preparatory School does everything possible to maintain a safe school climate where students are free from the threat of violence. While participants in rough-housing may view it as play, those around them may not share that interpretation. Additionally, participants and non-participants alike can be injured just as seriously by accident as by intention.

#### **A-7 Failure to have detention slip signed by parent/guardian. (30 min. detention)**

*All detention slips MUST BE SIGNED BY A PARENT OR GUARDIAN, and must be turned in at the time the detention is served.*

#### **A-8 Failure to serve detention (30 min. detention)**

*If a student unexcused absent for detention, the student will be assigned another detention. If there are 3 missed detentions in a trimester, that student will be placed on a student contract.*

#### **A-9 Out of Mass Uniform**

*This is any violation of the mass dress code throughout the school day. Please see the dress code section in the handbook for the rules pertaining to dress code.*

#### **B-1 Possession of Prohibited Items (2 consecutive 30 min. detentions)**

Cell phones must be locked in lockers and turned off during the school day. Cell phones may be used either in the gym lobby or in the small lobby near the Main Entrance after the finish of the school day. Outside cell phone use will be kept to a minimum on the St. Benedict Preparatory School campus (refer to Campus and Building Policies section).

- Upon entering the school, all electronic devices unless used for classroom work should not be visible and then should be secured in the locker for the duration of the school day. If visible during the school day, they may be confiscated for the remainder of the school day in addition to demerits
- Laser Pointers are not allowed on campus at any time and will be confiscated on sight.
- Headphones and earphones may only be used with permission of supervising teacher and may only be connected to a desktop, laptop, or tablet computer.

#### **B-2 Profane Language(2 consecutive 30 min. detentions)**

St. Benedict Preparatory School is a faith community where respect for individuals and for self is paramount. Sexually over-toned language, gestures, or immodest dress is not allowed. Inappropriate, vulgar, or lewd language is unacceptable.

### **B-3 Violation of Classroom Rules and Expectations (2 consecutive 30 min. detentions)**

(varies by course/teacher/room)

#### **Sleeping in class**

Sleeping during class time is never appropriate. Moreover, it is disrespectful to teachers, classmates, and those who work hard to pay private school tuition. If a student is having difficulty staying awake because he/she is ill, that student should not be in school that day.

#### **Failure to bring necessary materials to class**

(varies by course/teacher/room)

### **B-4 Disrespect Towards Classmate/Students (2 consecutive 30 min. detentions)**

All members of the St. Benedict Preparatory School community are expected to respect one another. Disrespect includes, but is not limited to, verbal abuse, obscene gestures, the use of profanity or belligerent behavior directed toward any school personnel or another student. Included in this is disrespect through computer sites such as but not limited to Facebook, You Tube, and others. Insubordination is defined as refusal to comply with reasonable rules and regulations or refusal to obey reasonable directions or instructions of any school personnel.

### **B-5 Not Attending Teacher-assigned Study Center (2 consecutive 30 min. detentions)**

When students are assigned to study center, the student needs to serve within the week. Failure to report to study center will result in 2 detentions per missed study center.

### **B-6 Inappropriate Display of Affection (2 consecutive 30 min. detentions)**

Signs of physical affection or explicit sexual conduct are never permitted in the building or on the campus.

## **All Level C Violations incur a minimum of 2 consecutive 1 hour detentions)**

### **C-1 Refusal to Surrender Prohibited Item (2 consecutive 1 hour detentions)**

In some cases, a teacher or staff member may decide it is necessary to confiscate a prohibited item because of potential risk. Such an item will be turned in to the Dean of Students who will decide when and if it would be appropriate to return the item and whether or not parents/guardians need to be notified.

### **C-2 Use of a Cellular Phone/Tablet/MP3 Player in the building between 8:00 a.m. and 3:15 p.m. (2 consecutive 1 hour detentions)**

Emergencies do happen. If anyone should need to get in touch with a student during the actual school day, a call to the main office is the only acceptable means of doing so. Similarly, if a student needs to get in touch with someone off campus, a school phone will be made available. The use of a cell phone for any reason—calling, texting, listening to music; checking the time, the weather, the news; whatever—is prohibited during school hours.

### **C-3 Disrespect Towards Faculty/Staff (2 consecutive 1 hour detentions)**

Disrespect toward ANYONE is prohibited by this code of conduct; disrespect toward faculty/staff carries more demerits simply because these are the people who have the responsibility and the often unpleasant task of enforcing these rules. Disrespect toward them makes it more difficult to do a very necessary part of their job.

#### **C-4 Off-campus Behavior Reflecting Negatively on St. Benedict Preparatory School (2 consecutive 1 hour detentions)**

Students who damage the good name and reputation of St. Benedict Preparatory School by action in or out of the school have committed a serious infraction of this code. Depending on the severity of the offense, the consequences of conduct which does not reflect the values and standards of St. Benedict Preparatory School may include denial of certain privileges, such as: participation in the Graduation Ceremony, holding any office in school organizations, and/or any involvement in extracurricular activities. Any public media such as blogging and/or web creation that uses the name of the school or names of staff or students within its sphere is strictly prohibited. This judgment is at the discretion of the Administration.

#### **C-5 Disrespect in Church (2 consecutive 1 hour detentions)**

Students engaging in disrespectful church behavior including, but not limited to sleeping, chatting, use of phone, and gum chewing.

#### **Level D: The following infractions will result in a meeting the Head of School and/or Dean of Students and Instruction for discussion and disciplinary action:**

##### **Academic Dishonesty**

Academic dishonesty is:

- forgery or representing someone else's work as your own.
- permitting or assisting another to present your work as their own.
- making use of unauthorized resources or materials (plagiarism).
- altering grades, grade assignments, answers.

Any senior who is caught cheating/plagiarizing on any final paper or exam will not be allowed to participate in the graduation ceremony.

##### **Student Being in an Unsupervised Area Without Explicit Permission /Skipping class**

The faculty and staff take their supervisory responsibilities very seriously, but they cannot be everywhere. Students are expected to cooperate by avoiding (or not lingering in) areas that are unsupervised such as empty classrooms, stairwells, the chapel and so forth unless they have explicit permission to be there.

##### **Bullying**

St. Benedict Preparatory School encourages all students to value each individual for the potential he/she possesses and looks to provide a learning environment free from any form of harassment. For these purposes harassment has been defined as, but is not limited to, continued or aggravated verbal, written (internet included), and/or physical abuse based upon race, ethnic background, gender, or any other reason. Included in this are lewd, suggestive, or obscene comments of a sexual nature. This would also include phone calls, text messaging, or other comments made through electronic communications. St. Benedict Preparatory School does not condone any activity or situation created with the intention of causing another student mental or physical discomfort, embarrassment, or ridicule. These prohibitions extend "hazing": mistreatment of freshmen, for instance, or team/club initiations rites.

A student who threatens another member of the St. Benedict Preparatory School community will be disciplined and, depending on the circumstances, may be suspended or expelled.

##### **Skiping Detention**

Students are expected to attend detention on the day they are assigned. Skiping detention is punishable by an additional detention. Missing a Saturday detention may result in temporary suspension until a meeting with parents/guardians. 3 missed detentions in a trimester will result in the student being placed on a behavior contract

### **Lying to a Faculty/Staff Member**

Each Student is expected to be truthful in his/her contacts with all members of the St. Benedict Preparatory School community especially Administration, faculty, and staff members. For this reason any student who exercises dishonesty toward a member of the Administration, faculty, or staff by any means of lying, deliberate withholding of information, or other form of deception will be subject to a minimum of 2 consecutive 1 hour detention.

### **Gang Activity**

Participation in gang or gang-related activity is strictly prohibited. Visible representations (i.e. graffiti, tagging, etc.) of gang affiliation/involvement on lockers, personal possessions, clothing, or school materials are likewise prohibited. Anyone suspected of participating in gang or gang-related activity will likely be dismissed. St. Benedict Preparatory School reserves the right to seek counsel from and act in conjunction with the Gang Crimes Unit and the Chicago Police Department pertaining to the status of a student's suspected gang activity/involvement.

“Tagging,” perceived gang or gang-related writing/graffiti, or any visible representation of gang or gang-related involvement will not be tolerated on any personal possessions, lockers, or other school property.

### **Weapons Possession**

Weapons of any nature (look-a-likes included) are strictly forbidden in any school building at any time. Any violation will likely result in confiscation and other penalties determined by the school. A weapon will be defined as any instrument that can be used to bring harm to another person.

### **Use, Possession, or Distribution of a Controlled Substance**

Any student under the influence of, in possession of, found in use of, or selling alcohol, narcotics, or any other controlled substance during the school day, at a school sponsored activity, on the St. Benedict Preparatory School campus, or off campus is subject to dismissal from St. Benedict Preparatory School. Any student suspected of drug use can be required to take a drug screen at the expense of the family. Results must be shown to the Administration. Once the Administration has determined that a drug screen is necessary the family has **one day** to make an appointment and be screened for the test results. The Administration must be shown the results as soon as possible. Any St. Benedict Preparatory School student found on any public medium or otherwise (i.e. pictures, blogs, etc.) to have been holding alcohol or other illegal narcotics will incur penalties by the Administration. Any student found giving away, distributing, and/or selling any of the substances prohibited above may be dismissed immediately.

### **Fighting**

Students who engage in a serious fight (resulting in injury) on campus incur immediate suspension. The students must return, as directed by the Head of School and/or Dean of students, each with a parent or guardian for a conference. A serious fight or repeated fighting is cause for expulsion.

### **Theft/Vandalism/Destruction of School Property**

- Stealing/vandalism will result in suspension, payment for the theft and/or vandalism, and/or expulsion. The police will be contacted.
- “Dry-marking”/permanent marker pens and tagging tools are not permitted in school. Defacing school property may require restitution in the form of paying for damages.
- Damage or theft of computer equipment will result in serious penalties and possible expulsion.

## **Other Dangerous or Criminal Actions Including but not Limited to:**

- Gambling. Gambling is not allowed on campus.
- Lunch Card. Allowing someone else to use your lunch card is considered to be a criminal offense.
- Reckless driving. Because of the danger to other students or faculty members, a student who speeds or drives in any other kind of reckless manner will be subject to disciplinary action.
- False Alarms/911 Calls/Bomb Threats. Any student issuing a false alarm or calling a bomb threat will be dismissed immediately and will have other disciplinary consequences.

## **DRUG AND ALCOHOL TESTING**

St. Benedict Preparatory School is aware of the responsibility and the right to uphold standards for itself and for the students who attend, while being determined not to overly intrude into the private lives of these same students. It is our goal to be proactive and to continue our tradition of a safe learning environment for all students Pre-K through grade 12. The school has assumed the responsibility for, and, therefore, has jurisdiction over the behavior of students at any school-related and/or school-sponsored events on or off campus. The school will also hold accountable students whose actions at any time jeopardize the good name of St. Benedict Preparatory School.

## **DETENTIONS & SUSPENSIONS**

The student must serve the detention by the assigned date. Any detention not served on time incurs additional detentions for every unexcused detention *and may result in additional consequences.*

- Only the Administration can excuse the late serving of detention and must be made prior to the assigned detention.
- Parents will be notified upon the detention that their student will not be allowed to participate in any extracurricular activities if their student receives their tenth detention. Any student who receives a tenth detention will not be allowed to participate in any activity until a contract meeting is held. The contract meeting must be held within 3 days of receiving the tenth detention involving the student and parent/guardian. Failure to meet within 3 days, unless agreed upon by the parents and Dean of Students, will result in the student not being allowed to participate in any activities for the remainder of the school year. Any student who receives 10 detentions is automatically placed on Disciplinary Probation. Disciplinary Probation limits the student to 3 additional detentions or an out of school suspension. If a student violates the probation that student faces dismissal from St. Benedict Prep.

**Note: The Administration reserves the right to decide each case on an individual basis.**

### **Detention:**

Detentions will be served throughout the week and on Saturdays. Students must be on time *to detention. If the student is late to detention the student will serve the detention and be given an additional detention. If the student does not show up for detention, that is considered “cutting” and a Level C violation.* Students late or absent to a Friday detention may be issued a Saturday detention.

- *The following people alone can reschedule a detention:  
Head of Parish School, Head of Secondary School, and Dean of Students.*
- *Detentions CANNOT be served concurrently with study sessions, tutoring, work study, or teacher conferences. Detentions can only be served in the designated detention area.*
- *After school activities, such as athletic competitions/practices or club meetings/activities do not release students from serving detentions. Detentions take precedence over all other activities and will not be rescheduled without prior approval from the Administration.*
- *Students observe silence in the detention room. Detention is not a study hall and will not be used for that purpose.*
- *Students will complete work designated by the Saturday detention monitor. If work is not completed to the satisfaction of the detention monitor, the student may receive additional detentions.*

**Suspension:** When a student is suspended the students' parent(s)/guardian(s) must meet with the Head of Secondary School and/or *Dean of Students* prior to the student's return to classes. The suspended student may not participate in or attend social events or extra-curricular activities until the suspension is lifted. We make some differentiation between in-school suspension and out of school suspension. A student may have make-up privileges for an in-school and out of school suspension. Make-up privileges are defined as allowance to make-up homework, tests, and/or quizzes.

**Dismissal:** When a student is dismissed, the student is not allowed to return to campus without a scheduled appointment. A student who has been dismissed is not allowed on campus for extra-curricular activities (i.e., dances, athletic events, etc.). Any student who has been dismissed will not be allowed re-admittance to St. Benedict Preparatory School. If the dismissed student should be on the school campus without administrative permission, that student will be considered as trespassing.

## **DISCIPLINE BOARD**

The Discipline Board consists of the Head of Secondary School, Dean of Students, a faculty representative appointed by the Head of Secondary School, and the counselor. The counselor will invite any input from the student's teachers and will act as a non-voting member. The Discipline Board will meet when the student has demonstrated a consistency in acquiring detentions within a short period of time, such as receiving 4 detentions within 2 weeks, or has committed an offense of a more serious nature, which could result in expulsion. The student and parents will have the opportunity to meet with the Discipline Board. The Board has the authority to recommend whatever disciplinary action it deems necessary, including the dismissal of the student from school. The Head of Secondary School will make the final decision after considering the recommendation of the Discipline Board. The decision of the Head of Secondary School is final. Once a contract is violated, the student can be dismissed without a discipline board meeting.

## **END OF THE YEAR REVIEW**

Students are reviewed for academic and behavioral standards. Upon review a student may experience, but is not limited to, the following consequences:

- The student will be accepted for the upcoming year on Disciplinary Probation. The student will have a disciplinary contract.
- The student will not be invited to return for the upcoming year.

## **ATTENDANCE POLICIES**

### **6. Absenteeism**

- **To report illness or absence, parents/guardians must call the school at (773) 509-3818 or (773) 539-0066, ext 308 before 9:00 a.m.**
- Any absence not confirmed by a telephone call by 9:00 a.m. will be considered an unexcused absence. Students that acquire 3 unexcused /excused absences within in a trimester for any class will have a letter/email sent to the parents and may incur a meeting with the parents and Administration. Students that acquire 6 unexcused /excused absences within a trimester will placed on a Behavior Contract. Failure to comply with the contract will result in the expulsion of the student from SBPS.
- A note from a parent/guardian must be in the school office before the student attends his/her first class. Failure to return with the note will result in the student's absence to be considered a truancy with loss of credit for the day.
- Students who are absent from school or who miss part of the school day may not be present at or participate in any after school activity without permission from the Administration.
- Each day of school missed is considered an absence and is marked as such. An absence for more than one consecutive day will be counted as only one absence if the student returns with a doctor's

note verifying the illness and treatment. Exceptions to the policy will be extended for chronic illness, required pre--admission days at a college, funerals, and mandated court appointments with proof of attendance. In these cases students will be able to make up work missed, according to department and/or individual teacher's policies.

- Seniors are allowed one college visit in the first or second trimester only. College visit requests must be completed through the college counselor.

### **Tardy Policy Grades 6-12**

When students are tardy to school in the morning, they will receive a tardy slip to give to their teacher. When students arrive to school after 8:00 am, they will also be issued a 30 minute detention to be served the following day beginning at 7:00am. Phone calls from parents do not excuse the student from the tardy or the detention. During inclement weather students will be given extra time to arrive to school as determined by the administration.

### **2. Anticipated Early Dismissal**

Parents requesting early dismissal need to submit a note at least 24 hours in advance of the early dismissal and call the school the day of the early dismissal to verify the note and the time of departure. Students that miss 6 full class periods due to an early dismissal may be put on Behavior Contract. Failure to comply with the Behavior Contract will result in the expulsion of the student from St. Benedict Preparatory School.

### **3. Illness**

- The student reports to the Nurse's Office if he/she becomes ill during the school day. Students are not to call home prior to seeing the nurse. If a student goes to the nurse's office and she is unavailable the student is to sign the sheet on the nurse's door and report to the main office or student center.
- The nurse's office will determine if the student needs to be sent home.
- The nurse calls a parent/guardian for permission for the student to leave school.
- The parent or emergency contact must come to pick up a student in grades 6-12 and sign out in the main office. For students in grades 9-12 only and on rare occasion the administration reserves the right allow a student to go home unaccompanied by a parent or emergency contact. This is contingent on the nurse's assessment of the illness and the availability of appropriate supervision.
- The Administration reserves the right to determine if a student is capable of attending and if he/she is physically capable of returning after a long illness.
- Students leaving school before 12:00 noon will receive a half--day absence.
- Students who leave school during the day due to illness will not be permitted to participate in any after school activities.

### **4. Vacation or Leave**

- Students are expected to take vacations during vacation times scheduled on the school calendar.
- Parents/guardians who plan to take students on the above must submit written notification indicating times and dates of the absence including parental signature(s) prior to the vacation or leave.
- St. Benedict Preparatory School does not condone absences due to family vacations, sports tournaments or anything unrelated to the school community. Teachers are not required to provide tests, quizzes, or assignments ahead of time or create special make-up work for students who miss school because of family vacation.

### **5. Dances**

\* *A student's discipline report will be taken into consideration to determine eligibility to participate in school activities. Students with 10+ detentions within a trimester will not be able to participate in extracurricular activities.*

- Students must present their school ID at the door. Tickets are usually purchased in advance through the Student Council. Students from other high schools may be admitted with their own high school ID and approval from the Dean of Students and Instruction. Non-St. Benedict Preparatory students must obtain a Guest Approval Form from their current school which is signed by the school administration and faxed to the main office. Guests will not be admitted without an approved form from their home school. Only high school students are allowed to attend school dances. Exceptions may be made for Prom with the permission of the administration. Each St. Benedict Preparatory School student is allowed only one guest. Guest forms must be submitted at least three school days prior to the event.
- The dance sponsor designates the dress code prior to the dance. Students whose dress is deemed immodest and/or inappropriate may not be admitted or be asked to leave the dance.
- All rules pertaining to student conduct while in school are effective at dances. Anyone suspected of drinking, using drugs or being involved in gang-related activity will not be admitted and/or will be dismissed. Action will be taken by the Administration.
- Students must arrive no later than 1 hour after the start of the dance – unless permission was given by the Dean of Students and Instruction prior to the dance and anyone who leaves after being admitted to the dance will not be readmitted. The student signs out at the time he/she leaves.
- Chaperones reserve the right to define and enforce appropriate dancing.

## **6. Extracurricular Activities**

Extracurricular activities refer to those events, which occur under the school’s sponsorship outside of the regular school day. Unless otherwise specified by the Administration, all school guidelines apply to extracurricular activities. The IHSA, which governs high school athletics, states that, “Persons who are found to be in violation of the ethics of competition or principles of good sportsmanship may be barred from inter-scholastic contests.” Inappropriate or immodest style of appearance will prohibit a student from participating in the event.

## **7. Pregnancy Policy**

As a Catholic community, we affirm, encourage, and emphasize the need to make good moral choices, which include abstinence from engaging in pre-marital sex, as well as not considering abortion as a possible course of action. The Administration and Student Services personnel of St. Benedict Preparatory School will extend every effort to assist and support the pregnant student in her educational development as well as in her personal and social adjustment.

Application of the above policy includes the following requirements of the pregnant student. As many as are applicable will also be required of the father if he is a student at St. Benedict Preparatory School:

- School counseling, including options of staying in school or leaving temporarily and adoption
- Classes outside of school in parenting
- Outside counseling
- A medical release indicating that the student is permitted medically to be in school
- Return to school after delivery within a reasonable time; a medical note will be required for any extended delay in returning

## **8. Transportation To and From School-Sponsored Activities**

Any activity for which the school provides transportation obligates students participating in the activity to use the transportation provided. Failure to comply will invoke school penalties. School rules and policies govern student behavior on buses/school transportation.

# Technology Policy

## Purpose

The purpose of the St. Benedict Parish & Preparatory School (SBPPS) computer network is to advance and promote ministerial and educational opportunities, innovation and educational excellence, and to provide users access to a world wide array of ministerial and educational resources. Access to the resources of the network will improve learning and teaching through research, access to information, teacher training, collaboration and dissemination of successful educational practices, methods, and materials.

## The Internet

The Internet is a vast, global network, linking computers with universities, schools, laboratories and other sites. Through the Internet, one can communicate with people all over the world through discussion forums and electronic mail. In addition, many educationally valuable files may be downloaded from the Internet. Due to its enormous size and resources, the Internet's educational potential is boundless. Via its broad reach, however, the Internet also contains the potential for abuse. SBPPS is not responsible for assuring the accuracy or usability of any information found on external networks. For safety purposes, SBPPS employs a firewall.

## User Access

Internet access is provided through the SBPPS network system. All users will have access to the Internet. The use of the Internet and SBPPS network is a privilege, not a right, thus all users must submit a signed Acceptable Use Agreement to gain access to the Internet and network. Students in Grades 6-12 will gain access to the Internet once the student and student's parent or guardian have submitted a signed Acceptable Use Agreement.

## Users' Responsibility

Your right to free speech applies to communication on the Internet. The Internet is considered a limited forum, similar to the school newspaper, and therefore the SBPPS may restrict speech for valid educational reasons. The SBPPS will not restrict your speech on the basis of a disagreement with the opinions you are expressing. However, the school reserves the right to restrict speech if it undermines or directly opposes the value, beliefs and tenants of the Roman Catholic Faith. All student use of the Internet will be conducted under faculty supervision. Nevertheless, faculty members are not expected to monitor student's use at every moment. Each student is expected to take individual responsibility for his or her appropriate use of the Internet.

Users are responsible for making back-up copies of the documents that are critical to their use. Users are responsible for immediately notifying the computer teacher or principal of any possible security problems or of damage to the computer to which they are assigned. The SBPPS assumes no responsibility for unauthorized charges, costs or illegal uses.

## Internet Access

Inappropriate conduct on the SBPPS Internet will be subject to disciplinary action, in conformity with the St. Benedict Preparatory School rules on Student Conduct and Discipline (which is published in school handbooks). The administration may deny user access to the network. Further, any user identified as a security risk or having a history of problems with other computer systems may be denied access to the SBPPS network.

## Privacy and Administrators' Access to User Files

Network storage areas (including user files) will be treated like school lockers may be subject to inspection. Internet (email) messages are public communication and are not private. All communications including text and images may be subject to applicable law enforcement or other third parties without prior consent of the sender or the receiver. Network administrators may review communications (email, attachments, files) to maintain integrity system-wide and ensure that users are using the system in a responsible manner. ALL users, regardless of position or relationship with SBPPS, should not assume that uses of the SBPPS network are private. All users are expected to use appropriate judgment and caution in communications concerning students and staff to ensure that personally identifiable information remains confidential.

## Personal Safety

The Internet is accessible to the public. Unfortunately, this includes people who want to make contact with students for inappropriate purposes or under false pretenses. Although SBPPS employs both a filter and firewall, screening the Internet for such inappropriate uses is still difficult. Therefore, users should never reveal their full name, address or telephone number, nor should they arrange a meeting with a person who was met on-line. Users should promptly inform the school administration of any on-line communication that is threatening, harassing, or otherwise inappropriate.

## Network Etiquette

Users are expected to learn and to abide by generally accepted rules of Internet network etiquette, as well as rules of a Catholic parish and school decorum. These include common courtesy, politeness, professionalism, and the avoidance of vulgar language. Try to avoid sarcasm and humor; without face-to-face communication, your comments may be misinterpreted or viewed as criticism. Don't publicly criticize or anger others. Use all capitals only to highlight a word; if you use them for an entire message, people will think you're shouting at them.

## Unacceptable Uses of the St. Benedict Parish & Preparatory School Network

The following are unacceptable uses of the SBPPS network:

- Posting private or personal information about another person.
- Attempting to access system files, security files or another person's files.
- Accessing or transmitting obscene, pornographic, or illegal material.
- Posting chain letters or engaging in "spamming." ("Spamming" means sending annoying or unnecessary messages to large numbers of people.)
- Engaging in sexual harassment. The SBPPS Sexual Harassment Policy, which is included in the individual schools' handbooks, is applicable to Internet conduct.
- Engaging in bullying or harassment in any manner of anyone having a relationship with SBPPS. The SBPPS Anti-Bullying Policy, which is included in the individual schools' handbooks, is applicable to Internet conduct.

- Participating in any communications that facilitate the illegal sale or use of drugs or alcohol; that facilitate criminal gang activity; that threaten, intimidate, or harass any other person; that facilitate gambling. The system/network may not be used for illegal purposes, in support of illegal activities or for any activity prohibited by district policy.
- Communications. Users are responsible for the content of all text, audio or images that they place or send over the Internet. Fraudulent, harassing or obscene messages are prohibited. No abusive, profane or offensive language should be used to communicate on the SBPPS or on the Internet.
- Plagiarism. "Plagiarism" means taking material created by others and presenting it as if it were one's own words.
- Infringing copyrights. One copy of copyrighted material may be downloaded for a user's personal use. Copyright infringement occurs when a person inappropriately reproduces or transmits material that is protected by copyright. For example, most software is protected by copyright and may not be copied without the permission of the copyright owner and systems administrator.
- Inappropriate materials. Access of material that has been deemed inappropriate for educational or ministerial use is prohibited. Should users encounter such material by accident, they should disengage. Participating in private or commercial activities that are not directly related to educational purposes of the SBPPS.
- No user shall engage in communication that represents personal views as those of the SBPPS or that could be misinterpreted as such.

### **Behaviors And Consequences**

Appropriate Codes of Conduct and Disciplinary Measures are outlined in the school handbook for students, and in the faculty handbook for faculty and staff.

- Tampering with computer security systems and/or applications and/or documents and/or equipment will be considered vandalism, destruction, and defacement of school property. Please be advised, it is a federal offense (Felony) to break into any security systems. Financial and legal consequences of such actions are the responsibility of the user (staff, volunteer, student) and student's parent or guardian.
- Vandalism will result in cancellation of privileges, disciplinary action and restitution for costs associated with hardware, software, and system restoration. Vandalism is defined as any malicious attempt to harm or destroy data of another user, the Internet, hardware, software or the network. This includes, but is not limited to, the uploading or creating of computer viruses.
- In the event that there is a claim that a **student user** has violated any of the Acceptable Use Agreement, she/he will be provided with written notice of the suspected violation and given an opportunity to be heard by the school administrator.

### **Notifications**

Any student, teacher, staff member or volunteer must notify the systems administrator or assistant systems administrator if they have identified a possible security problem. Do not go looking for security problems, as this may be construed as an illegal attempt to gain access to inappropriate areas. Further, they should report encounters with inappropriate material to their school administrator immediately.

## **Concussion Information**

### **What is a concussion?**

A complex pathophysiological process affecting the brain induced by traumatic biomechanical forces. Several common features that incorporate clinical, pathologic and biomechanical injury constructs that may be utilized in defining the nature of a concussive head injury include:

- Concussion may be caused either by a direct blow to the head, face, neck or elsewhere on the body with an "impulsive" force transmitted to the head.
- Concussion typically results in the rapid onset of short-lived impairment of neurologic function that resolves spontaneously.
- Concussion may result in neurologic changes, but the acute clinical symptoms largely reflect a functional disturbance rather than a structural injury.
- Concussion results in a graded set of clinical symptoms that may or may not involve loss of consciousness. Resolution of the clinical and cognitive symptoms typically follows a sequential course. It is important to note that, in a small percentage of cases, post concussion symptoms may be prolonged.
- No abnormality on standard structural neuroimaging studies have been seen in concussion.

### **What are signs and Symptoms of a concussion?**

A diagnosis of a concussion can include one or more of the following clinical domains: headache, feeling in a fog, lack of concentration, memory loss, unstable, loss of consciousness, amnesia, loss of balance, irritability, acting abnormally for them, slowed reaction times, slower movements, sleep disturbances, drowsiness, slurred speech, double vision, dizziness, nausea, spots before eyes, sensitivity to light and sound

### **What should I do if my son or daughter has one or more of the above signs and symptoms?**

- If they can rest comfortably and all signs and symptoms are stable, allow to continue rest or sleep.
- Call your physician to seek advice and for an appointment.
- Monitor the signs and symptoms for any change.
- Make comfortable.
- If condition becomes unstable or are unable to rest comfortably seek immediate medical assistance (emergency room).

#### **Do Not's**

- Use a computer
- Text message
- Play video games
- Wear headphones
- Stay in a bright place
- Give aspirin for any reason
- Watch television
- Stay in a loud area

#### **Do's**

- Allow to sleep
- Monitor symptoms
- Take to emergency room if symptoms worsen
- Allow to eat
- Make an appointment with your physician
- Keep hydrated

Take a student with concussion symptoms to the emergency Room if they are uncomfortable/restless. If you do not have a physician we can recommend a few that diagnose and treat concussions. For more information contact your school nurse or athletic trainer.
