

BE Successories Drives are coordinated campaigns to collect business accessories for older teens preparing for transition to adulthood. If your company or professional association would like to help chart a new path for ambitious young adults in need, this is the perfect way to get involved!

We accept new and gently used accessories (particularly scarves, jewelry, belts, ties, handbags, and portfolios for their resumes). Sometimes teens just want to shop on their own! A gift card in any denomination would be gladly accepted so they can go to a store and pick out what they want without having to worry about cost for a change...

Organizing a Successories Drive is easy!

- Pick the dates to run your donation drive.
- Spread the word to your colleagues and friends.
- Designate an internal location for donated items.
- Select a date for BE to stop by and help gift wrap the items.
- BE will deliver the items to get them directly into the hands of teens.
