

Fredericksburg Ag Science & FFA Booster Club

Novemebr 16, 2014

Dear Friends,

The Fredericksburg Ag Science and FFA Booster Club would like thank you for your past support of our local youth by your Corporate Sponsorship. Because of local community support of this program we have been able to provide needed equipment for kids to get their projects ready for local and state livestock shows, scholarships have been awarded to graduating seniors from FHS, we supplied shirts for our FFA Officers, aluminum paneling for the interior of the brand new FFA livestock trailer, lettering for the outside of the FFA trailer as well as furnishing the meal for the District Conference that our local chapter hosted here in Fredericksburg.

We are again asking businesses like yours to consider supporting the youth of our community by renewing your corporate membership of the Fredericksburg Ag Science & FFA Booster Club for the **2014-2015 school year**. By remaining a member you will be joining corporate and local community business leaders, families, and friends that are helping restore a strong historical tradition in the Gillespie County community, a tradition of agriculture, leadership and youth development. To become a part of our team we are offering 5 levels of membership.

The money raised from this 2014-2015 school year corporate membership drive will fund:

***Scholarships**

***Special supplies and materials needed by FFA youth** (not funded by the school)

***Travel expenses for National Leadership opportunities** (not funded by the school)

Corporate Membership Levels

AMERICAN MEMBERSHIP	\$1,000.00
LONE STAR MEMBERSHIP	\$ 500.00
CHAPTER MEMBERSHIP	\$ 250.00
GREENHAND MEMBERSHIP	\$ 100.00
DISCOVERY MEMBERSHIP	\$ 50.00

Thank you for helping us restore youth leadership in agriculture in Fredericksburg. We are excited about the endless opportunities FFA provides for our youth. If you have any questions, please call me at (830) 456-8377. We are asking that all donations made by February 1st, 2015.

Best Regards,

Dawn Bourgeois, Vice President
