What They Are Saying...

Ashley + Mitchel

Working with Kelly and UpperCase Designs was a wonderful experience! She is great to work with and is willing to make sure everything you order with her is perfect. Kelly designed our save-the-date cards, wedding invitations, ceremony programs, reception escort cards, as well as other various signs that we needed for our big day. She is very prompt with responding to emails and even went above and beyond by mailing me paper samples since I lived out of town. I cannot recommend working with Kelly enough!

Allie + Jan

Kelly, the owner of Uppercase Designs, was absolutely stand-out wonderful. She created every bit of printed materials for my wedding- from save the dates, to invites, to day-of signs, menus, custom trolley banner, to thank you notes & everything in between. Her taste and attention to detail are insurmountable and her responsiveness makes each client feel like a priority. She's exquisite and I would strongly encourage anyone to use her services!!

Audra + Nick

I don't know how I would have gotten through creating my dream invitations without Kelly. She is the best in the Toledo area at what she does and a sweetheart at that! She made my vision come to life and I am for in debt to her!

Diana + Brooks

We are so glad we chose UpperCase Designs to create our wedding invitations. Kelly listened to what we wanted and helped us create something that fit our style and wedding day perfectly. She was easy to work with and extremely talented. We couldn't be happier, our friends and family LOVED the invitations.
