

**The state of Arizona recognizes Living Hope Women's Centers as a Qualified Charitable Organization.**

Did you know that through the Arizona Charitable Tax Credit contributions to Living Hope Women's Centers can **reduce** your Arizona income tax **dollar-for-dollar**? That means that you may be able to give up to \$400 for single and \$800 for married filing jointly to Living Hope Women's Centers at **no cost to you**.

Taxpayers filing in Arizona have the unique opportunity to actually redirect a portion of the state tax dollars they already pay to organizations that provide help to the working poor - *all at no additional financial cost to themselves!*

Through the Arizona Charitable Tax Credit, you can claim a tax credit on your Arizona income tax return for contributions made to Living Hope Women's Centers. As a tax credit, your contributions can reduce your Arizona income tax dollar-for-dollar up to the maximum allowable amount: \$400 for individual taxpayers or heads of households, or \$800 for married taxpayers filing jointly.
