Participate in a Group Discussion About Children's Eye Care

Dear Moms,

If you are a **mother of one or more children age 5 or younger**, you are invited to participate in a group discussion about children's eye care to be held on **Wednesday, May 30th** from **10:00 to 11:30 am**, at the **Round Valley Public Library**. Child care will be provided for toddlers and preschoolers while you are participating in the group. **If you qualify and participate in the group, you will receive \$100 cash.**

The group discussion is being conducted by our company – Partners In Brainstorms, located in Phoenix – for the Arizona nonprofit program called Eyes On Learning. **To find out if you qualify to participate, we need to ask you a few questions.** This very brief survey will take no more than 10 minutes to complete, and your responses are confidential. The survey is available online at:
