**NORTHERN ROCKET FOOTBALL LEAGUE, INC.**

**RULES & BY-LAWS**

**NRFL MISSION STATEMENT**

*“ROCKET FOOTBALL” and “FLAG FOOTBALL” are recreational programs for the benefit of children, conducted by interested adults. Although any sport is competitive, this competitiveness is not emphasized, at least in the perspective of winning or losing. The primary purpose of “ROCKETS” is that every child is placed on a team and every player participates as equally as possible. RULES ARE DESIGNED TO PROVIDE A SAFE ENVIRONMENT FOR THE MAJORITY OF THE PLAYERS. Believing that each game is incentive enough to provide a competitive atmosphere, there are no official standings kept and no championships awarded. Teams are constructed through the league sponsored draft process, and in scheduling an effort is made to match teams of similar strengths.*

*FLAG FOOTBALL teams are constructed by an area's Field Director and are not subject to NRFL Draft Regulations or Requirements. FLAG FOOTBALL games are scheduled by the individual areas and they are solely responsible for such contests.*

---

*THE NORTHERN ROCKET FOOTBALL LEAGUE FOLLOWS MHSAA RULES EXCEPT  
FOR DIFFERENCES OUTLINED IN THESE RULES.*

*IN THOSE INSTANCES THE NORTHERN ROCKET FOOTBALL LEAGUE RULES TAKE  
PRECEDENCE.*

*NRFL RULES CANNOT BE WAIVED BY ANY PERSON FOR ANY REASON. ANYONE  
WILLFULLY VIOLATING ANY RULE WILL BE SUSPENDED FOR ONE (1) YEAR.  
REINSTATEMENT / APPEAL PROCEDURES ARE OUTLINED IN THE NRFL, INC.  
GUIDELINES.*

### **D. EQUIPMENT**

- i) Every player must wear football shoulder pads, helmet with face mask and football pants with pads. ALL playing equipment must be NOCSAE approved. Every effort should be made by all Field Directors and coaches to see that no obsolete or over-aged equipment is used. If neck rolls are worn by a player, the NRFL strongly suggests a "proper fit." "Proper fit" being defined as a "neck roll that adequately protects the neck, but still allows movement of the head in all directions."*
- ii) All players must wear mouth protectors either clear or colored, and unless the player has written permission from his/her dentist ALL Mouthpieces must be attached to the helmet facemask and worn in the mouth while on the playing field. - ii) *All footballs must be on the approved list prior to the start of the season and only those footballs will be allowed. Areas not having football usage approved force their teams to use the football(s) of any home site where they may be playing. It is recommended that footballs approved for use by the 3rd & 4th grade group be marked with a permanent marker with the clearly visible "3/4" on the sides.*
- iii) *4. Each footballs expected to be used during a game must be checked for proper size by the Head Official prior to the start of a game.*

#### **F. SPORTSMANSHIP**

- ii) *Each member area must have at least one (1) approved game football on site for all home games in the event that a visiting team does not have, or presents an unapproved football. Questions regarding this matter should be directed to the NRFL COO.*
- iii) *It is not necessary to have area footballs approved each year as long as the football they use is on the NRFL master list as an "approved football". Use the list as a guideline when purchasing new footballs. The approved list will be posted and maintained on the NRFL website.*
- iv) *Since referees are volunteers, the following rule is emphasized to reduce problems with fans; Referees may penalize a team 15-yards for unsportsmanlike conduct by coaching staff or SUPPORTING FANS. This rule also applies to a coach who by action or word entices the fans to act in an unsportsmanlike manner OR who fails to use his influence to calm the fans.*

This has been adopted to promote player safety.*
- ii) *Referees shall be instructed to enforce any violations in the following manner:*
  - (1) *Defensive contact with the offensive center in a punting situation (long snap only) will be assessed as a personal foul, with a 15-yard walk-off and an automatic first down. This penalty is only in an obvious 4th down punting situation and not on a shotgun snap on 1, 2 or 3 down.*

#### **L. SCORING**

- i) *Any team out-scoring an opponent by more than 24 points could be subject to a bye later in the season.*

*\*\*if the score in the game reaches a 24-point differential, a time-out may be called and a mandatory conference will be held on the field between both coaches, the head official and the Field Director. - iv) In the event of injury to a player, an official time-out will be called. However, the hurt player must report to his sideline after the time-out and remain there at least 3 consecutive playing minutes.
