

Trailing Seminar 103

Location Update

Our next trailing seminar will be held on May 17, 2014 - 10:00 a.m. to 2:00 p.m.

Location will be the same as the previous seminar:

American Heroes Park,
6608 Hellman Ave.,
Corona (Eastvale), CA.

This is a much safer location and 100% rattlesnake free. 😊

We will not be using a shelter which does not require a reservation or insurance. But we will be located outside the shelter we used last time, near the dog park. We will be trailing so be sure to bring your equipment and wear comfortable clothing and shoes.

As usual, bring your lunch and water/drinks, crate, etc. for your dogs. Chairs but you will be up and walking.

Thank you for your patience while we located a more suitable location for this seminar as the original planned location had an abundance of rattlesnakes. 😞 If you have any questions do not hesitate to contact Sue Sappok, suesappok@yahoo.com or 760-954-8485.

Hope to see you all there as this will be your practice for the EECT Trial. If you cannot make this seminar please let Sue know and she will try to arrange another date to accommodate those trailers who could not make the May 17 seminar. Our goal is to help all of you take and pass your EECT.
